Dost 1 Director Champions Gender Sensitivity and Mainstreaming at ISPSC

Dr. Teresita A. Tabaog, Regional Director of the Department of Science and Technology Region 1 and a member of the National GAD Resource Program (NGRP), recently led a series of comprehensive training sessions on Gender Sensitivity and Gender Mainstreaming at Ilocos Sur Polytechnic State College (ISPSC).

These sessions were held across the Sta. Maria, Candon, Narvacan, Cervantes, Santiago, and Tagudin campuses on September 27 October 18, 28, and 29, 2024, aimed to build a more inclusive, gender-responsive culture in both academic and workplace settings. In her role as a member of the ISPSC Board of Regents, Dr. Tabaog shared valuable insights on integrating Gender and Development (GAD) principles into academic institutions, inspiring ISPSC faculty and staff to advance gender equity within their professional roles and campus communities. Her expertise highlighted practical strategies for effective gender mainstreaming, empowering participants to promote an inclusive and respectful environment across all ISPSC campuses.

The first two sessions were held at the ISPSC Sta. Maria Campus focused on Gender Sensitivity Training for faculty and non-teaching personnel. Dr. Tabaog's presentation covered foundational gender concepts, the distinctions between sex and gender, and the impact of social institutions on gender perceptions. She also introduced participants to the differences between equality and equity, emphasizing the importance of fostering an environment that recognizes and respects these distinctions. Through hands-on activities and group discussions, participants engaged in an in-depth examination of gender roles and stereotypes and explored strategies for minimizing biases in workplace interactions.

The subsequent Gender Mainstreaming in the Workplace seminars, held at ISPSC's Main Campus, targeted faculty and non-teaching staff from other five campuses. Dr. Tabaog introduced participants to the principles of gender mainstreaming, focusing on how GAD initiatives could be systematically integrated into institutional policies and practices. She provided a practical framework for advancing gender sensitivity across campuses covering the four key entry points for gender mainstreaming. In addition, she led discussions on Women's Economic Empowerment, underscoring the importance of equitable practices in creating gender parity, particularly in leadership roles and Science, Technology, Engineering, and Mathematics (STEM) fields.

The training sessions were lauded as an enlightening experience for many participants. Through interactive workshops, real-life examples, and engaging activities, participants enhanced their understanding of gender issues and renewed their commitment to promoting a more inclusive, equitable environment at ISPSC. Supported by the ISPSC administration and led by Dr. Tabaog's expertise, these trainings mark a significant step forward in ISPSC's dedication to gender equality and inclusivity in higher education.

Tinapyas na P10-B para sa AFP Modernization Program, inapela ng senador na ibalik

Umapela si Senador Ronald "Bato" Dela Rosa sa Senado na ibalik ang P10 bilyon na pondo na tinapyas para sa Revised Armed Forces of the Philippines (AFP) Modernization Program para sa susunod na taon.

Ginawa ni dela Rosa ang apela na ito sa deliberasyon ng plenaryo ng Senado sa panukalang P6.352-trillion national budget bill.

Kung ikukumpara ang National Expenditure Program (NEP) at ang General Appropriations Bill (GAB) na inaprubahan ng Mababang Kapulungan, ikinalungkot ni dela Rosa ang pagbabawas ng House of Representatives sa panukalang P50 bilyon ng Executive Department para sa Revised AFP Modernization Program sa P40 bilyon.

Ang mga pagbabagong ginawa ng Kamara ay pinagtibay ng Senate finance committee sa committee report ng budget bill.

Binigyang-diin ng dating PNP chief na ang first line of defense ng ating bansa ay hindi dapat pag-iwas o pagtakas sa tuwing may pag-atake.

Kaya naman apela ni dela Rosa na ibalik ang natapyas na pondo na ipinakilala ng House of Representatives para mapalakas ang moral ng tropa ng bansa.

Nangako naman si Senate Finance Committee Chairperson Grace Poe na sisilipin ang apela ni Dela Rosa at sinabing handa siyang ikonsidera ang panukala.

DA hindi muna mag-aangkat ng asukal hanggang sa gitna ng 2025

Natitiyak ng Department of Agriculture na hindi aangkat ang bansa ng asukal hanggang sa kalagitnaan ng taong 2025.

Sinabi ni Agriculture Secretary Francisco Tiu-Laurel Jr. na nagiging stable at sapat ang domestic supply ng raw at refined sugar.

Ito ang naging pagtitiyak sa kaniya ng makipagpulong ito kay Sugar Regulatory Authority (SRA) Administrator Pablo Luis Azcona.

Ayon pa sa kalihim na nagkasundo ang sila na huwag munang mag-angkat ng mga asukal.

Duterte tells ICC to 'hurry up' with probe: 'Baka mamatay na ako'

Former President Rodrigo Duterte on Wednesday said he was asking the International Criminal Court — whose jurisdiction his administration and the current Marcos Jr. administration do not recognize — to rush its investigation into his war on drugs over alleged crimes against humanity.

Duterte said this during the House quad committee inquiry on Wednesday where he finally showed up after skipping previous invitations

When aske by Gabriela Party-list Rep. Arlene Brosas whether or not he was willing to cooperate with the ICC investigation, he said, "I am asking the ICC to hurry up and if possible, they can come here and start the investigation tomorrow."

Duterte, 79, claimed that the "issue has been left hanging for so many years… Baka mamatay na ako, hindi na nila ako ma-imbestiga."

"So, I am asking the ICC, through you, na magpunta na sila dito, bukas. Umpisahan na nila ang investigation (They should come here at once, tomorrow. They should start their investigation). If I am found guilty I will go to prison and rot there for all time," he added.

Asked to clarify if this meant he would cooperate with the tribunal, Duterte said, "The ICC does not scare me a bit. They can come here anytime… Wala naman tayong taguan. Ang sinabi ko, ang ginawa ko, I did it for my country and for the young people, no excuses, no apology. I got to hell, so be it."

"Bigyan mo ako ng pera, ako na pumunta ng ICC doon, ako na mismo magpaimbestiga doon," he said.

The International Criminal Court in The Hague is currently investigating Duterte's war on drugs and the alleged Davao Death Squad for possible crimes against humanity.

The government has taken the position that it will not cooperate with the ICC, which the Philippines left in 2019 because of its preliminary inquiry into the drug war.

But the Marcos Jr. administration also said that it would not prevent the ICC from getting statements and information and setting interviews with potential resource persons.

House Quad Comm moves resumption of hearing to Nov 21

House Quad Comm lead co-chairperson Rep. Robert Ace Barbers said the verification of the credibility of individuals volunteering to testify in the hearings prompted the mega-panel to reschedule the November 13 hearing to November 21.

"Because of the several witnesses who wanted to give their testimony before the Quad Comm, we decided that we should maybe interview them first. Tingnan namin sino 'yung mas credible doon and it will take a lot of time para sa amin," Barbers explained.

Despite the cancellation of the Wednesday hearing, former Presidential spokesperson Atty. Salvador Panelo said former president Rodrigo Duterte will go to the House of Representatives to "confront" Quad Comm members over the changes in the hearing schedule allegedly without prior notice.

Panelo said Duterte accepted the mega-panel's invitation for the November 13 hearing, and even came to Manila on Monday night.

"(Former) PRRD (President Rodrigo Roa Duterte) and I will go to Batasang Pambansa tomorrow at 10:00am and confront the Quad Committee members why after demanding his presence and accepting their invitation and coming here last night, they will just cancel it without prior notice," Panelo said.

"He will ask them to schedule a marathon hearing of 10 days," he added.

But Quad Comm leaders said the panel notified Duterte and his counsel, Atty. Martin Delgra III, regarding the hearing schedule on Monday Night. Barbers added that as of Tuesday noon, they have yet to receive formal communication from Duterte's camp, expressing the former President's intent to attend the November 13 hearing.

"Wala pong naduduwag dito. Para malinaw, sa (November) 21 mayroon kaming hearing. Punta ho tayo dito. Pagkatapos ng 21, let us know kung kailan kayo pwede. Because we will schedule another Quad Comm hearing on the date convenient for you, on the date na gusto ninyo," Barbers said."I-formalize lahat. Kasi 'pag sa social media tayo nagsagutan, I think it will not be proper, at maliligaw tayo. 'Yan, nagpo-pronounce sila that they will be attending. And it's not even coming from the President… We are governed by the rules of the committee," Quad Comm Co-Chair Rep. Dan Fernandez added.

The House Quad Comm previously sent invitations to Duterte, but in an October 21 letter, his counsel said the former president was not feeling well and in need of rest.

In another letter last November 5, Delgra said Duterte could not attend the November 7 hearing, because he was doubtful of the Quad Comm's integrity.Some lawmakers also expressed their criticisms against Duterte, saying the statement that he will confront the Quad Comm was just "another publicity stunt".

"Alam niya at pormal siyang na-inform na walang hearing bukas, ngunit nagbabalak pa rin siyang pumunta para magpapansin at manggulo. Isa na namang publicity stunt ito mula sa dating pangulo… Gusto niyang palabasin na ang House ang umuurong sa imbestigasyon. Gayong siya mismo ang patuloy na umiiwas sa accountability," Gabriela Party List Rep. Arlene Brosas said.

"Nagba-bluff ka ba? Hindi ka namin uurungan," ACT Teachers Party List Rep. France Castro told Duterte.

"Propaganda lang 'yung ginagawa nila, lalo na 'yung sinasabing pag-attend sa hearing ng Quad Comm. Talagang nabubudol-budol 'yung ating mga mamamayan," House Assistant Majority Leader Rep. Jefferson Khonghun said.

Moreover, several lawmakers stated willingness to chip in to cover Duterte's airfare and accommodation, in order to help eliminate the financial obstacles the former president previously mentioned for skipping the Quad Comm hearings.

Garma's departure

On former police officer Royina Garma's reported departure from the Philippines, Barbers said he was unaware of it, but the Quad Comm previously notified Garma to attend if she will be needed in succeeding hearings.

"We have no idea kung nasa bansa ba o nakaalis na. I have no information… We advised them na kapag kailangan sila ay kailangan mag-attend sila. Pero so far nag-move forward na tayo ng topic. Tapos na tayo doon sa Barayuga case somehow," he said."'Yung witnesses na hinarap sa kasong 'yan ay nakapagbigay na sila ng salaysay at na-record na ng ating DOJ… If there are any other witness that will come out and again perhaps mention the names of these personalities, then we will have to invite them, so that bigyan din sila ng pagkakataon na magkaharap sila: 'Yung nag-aakusa at 'yung inaakusahan," Barbers added.

Singil sa kuryente, tataas na naman ngayong Nobyembre –Meralco

Nag anunsyo ang Manila Electric Company (Meralco) ng dagdag singil sa bill ng kuryente para ngayong buwan ng Nobyembre.

Aakyat ng P0.4274 per kilowatt-hour ang magiging singil ng kumpanya na magdadala sa kabuuang P11.8569 per kWh na mas mataas ng halos P1 sa P11.4295 kWh na singil noong nakaraang buwan.

Sa isang panayam ay ipinaliwanag ni Meralco Vice President and Head of Corporate Communications, Joe Zaldarriaga, na ang dagdag singil ay dahil sa mas mataas na singil ng generation at transmission charges ng kanilang electricity supplier.

Dagdag pa nito, tumaas din daw ang charge sa kanila ng Independent Power Producers (IPPs) na tumaas ng P0.9392 kWh habang ang Power Supply Agreements naman ay umakyat sa P0.4295.Dahil aniya dito, papatak ng P85 magiging increase sa mothly bill ng isang pamilya na kumokonsumo ng 200kWh.Sa mga lugar naman na apektado ng bagyo, hindi aniya muna makakatanggap ng disconnection notice hanggang Disyembre ngayong taon.Handa naman din umano ang Meralco na magpa-installment sa mga residenteng apektado ng bagyo.

" SORRY NA LANG BA LAGI?

Acts 3:19
"Now repent of your sins and turn to God so that your sins may be wiped away.

Is it enough just to confess that we are sorry for the wrongs we have done? Does it mean we are automatically forgiven once we say sorry to God? What does repentance really mean?

Repentance " Metanoia " - changing one's mind in such a way as to have a new perspective.

Mathew 3:2
" Repent [change your inner self - your old way of thinking; regret, past sins, live your life in a way that proves repentance; seek God's purpose for your life] for the kingdom of heaven is at hand."

We can pay lip service to our repentance but God sees the heart.

Mat. 15:8
"These people honor Me with their lips, but their hearts are far away from Me."

Genuine repentance always produces positive changes in our way of thinking, in our speech and our way of life I general.

Mat.3:8
"Bear fruit in keeping with repentance."

Carnal Christians use God's grace as a license to commit sin. "Mabait naman si Lord."

Is 59:2
"It's your sins that has cut you off from God. Because of your sins He has turned away and will not listen anymore."

People who continue to sin without truly repenting will eventually experience the wrath of God."

Rom.2:8
"But He will pour out His anger and wrath on those who live for themselves, who refuse to obey the truth and instead live lives of wickedness."

"But my sins are small compared to others!"
All sins separate us from God whether they are big or small and lead us away from Him.

John Piper - "There is no standing still in a Christian life. Either we are advancing toward salvation or we are drifting away to destruction. Drifting is a mortal danger."

Therefore, we must deal with sin firmly and thoroughly.

Mat.18:8-9
"If your hand or foot causes you to sin, cut it off and cast it from you. It is better for you to enter into life lame or maimed, rather than having two hands or two feet, to be cast into the everlasting fire. And if your eye causes you to sin, pluck it out and cast it from you. It is better for you to enter into life with one eye, rather than having two eyes, to be cast into hell fire."

There is an assurance of salvation for those who come to Jesus with a genuine repentant heart.

1 Jn.1:9
"If we confess our sins, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness."

Housing loan ng PAG-IBIG tumaas matapos ang pagbawal sa POGO

Nakikita na ngayon ng PAG-IBIG funds ang pagtaas ng kumukuha ng housing loans mula ng simulan ng gobyerno ang pagbabawal ng Philippine offshore gaming Operators o (POGO).

Ayon sa PAG-IBIG na maraming mga condominium units ngayon ang nabakante mula ng palayasin ang mga naninirahang POGO operators.

Dagdag naman ni Pag-IBIG Acting Vice President Domingo Jacinto Jr na kanilang tinitignan ngayon ang mga inventories nila na ilalaan sa mga miyembro at sellers na magbebenta ng kanilang mga lupain.Una rito ay nagbigay sila ng isang buwang moratorium sa mga miyembro nila na may housing loans lalo na sa mga lugar na sinalanta ng mga bagyo

PDEA magsasagawa ng sariling imbestigasyon sa tauhan nilang naaresto sa EDSA busway

May isinasagawa ng imbestigasyon ang Philippine Drug Enforcement Agency (PDEA) sa pagkakahuli ng ilan nilang sasakyan na dumaan sa EDSA Busway.

Nadiskubre pa ng Special Action and Intelligence Committee for Transportation (SAICT) na ang driver ng van na kanilang naharang ay nagtataglay ng pekeng lisensiya at hindi rehistrado ang sasakyan.

Giit ng driver na kaya sila dumaan sa EDSA Busway dahil ito ay kanilang bahagi ng operasyon.Maging ang kasamahan nito na naka-motorsiklo ay tiniketan din ng SAICT.

Tiniyak naman ng PDEA na kanilang iimbestigahan ang nasabing insidente kung saan maaring masibak sa puwesto ang mga sangkot na tauhan nila.

BSP, nagbabala sa publiko ukol sa gumagamit ng kanilang pangalan

Inalerto ng Bangko Sentral ng Pilipinas (BSP) ang publiko matapos makatanggap ng impormasyon na may isang entity na pinangalanang "12 Stars Sunflower Holding Corporation" at ang sinasabing pinuno nito na si "Princess Jonah A. Seneca."Streaming service

Kinakasangkapan umano nito ang BSP para manghingi ng pera at nangangako ng bahagi ng mga pondong idineposito sa isang bank account.

Nilinaw ng BSP na hindi ito konektado at walang anumang transaksyon sa nasabing kompaniya o maging kay Seneca.

Binigyang-diin pa ng BSP na hindi ito nag-aalok, nagtataglay, o nagpapanatili ng mga deposit accounts para sa mga indibidwal.

Upang magbantay laban sa mga iligal na pag-access, pinapayuhan ng BSP ang publiko na iwasan ang pagpapadala ng pera sa mga hindi na-verify na account at mula sa pakikipagtransaksyon sa mga entity at indibidwal na maling kumakatawan sa kanilang sarili bilang mga opisyal o ahente ng BSP.

Hinihikayat din ang publiko na i-verify ang impormasyong natatanggap nila mula sa mga nasabing kompaniya at personalidad na nagsasabing konektado sila sa central bank at iulat ang anumang ilegal na aktibidad.

17,000 na mga empleyado, makakatanggap ng pinansyal na tulong mula sa DSWD

Makakatanggap ang halos 17,000 na mga empleyado ng pinansyal na tulong mula sa Department of Social Welfare and Development mula sa Ayuda Para sa Kapos ang Kita Program (AKAP).

Nagkakahalagang P5,000 ang maaaring matanggap ng mga benepisyaryo sa ilalim ng naturang programa ayon sa ahensya.Karamihan naman sa mga nagregister at naging benepisyaryo nito ay mga sekyu, housekeepers, at mga salespersons na nagtatrabaho ngayon sa isang sikat na mall sa Pasay City.

Pinasinayanan naman ito ni House Speaker Martin Romualdez kasama ang ilan pang mga opisyal ng Maynila.

Layon naman ng ahensya na sa pamamagitan ng AKAP ay matulungan ang mga pamilya na nakakaranas ng pagiging gipit at kabilang na rin ang mga nawalan ng trabaho.

Sasakyan ng PDEA, natiketan matapos dumaan sa EDSA busway

Natiketan ng Special Action and Intelligence Committee for Transportation (SAICT) ang driver ng sasakyan ng Philippine Drug Enforcement Agency (PDEA) matapos dumaan sa EDSA busway kaninang umaga.

Sa naging inisyal na report ng SAICT, wala umanong dalang rehistro at pekeng lisensya din umano ang nakakabit sa sasakyan.

Inamin naman ng driver ng L300 na sinadya umano niyang dumaan sa EDSA busway dahil sa bahagi umano sila ng isang opearsayong ikinakasa umano ng kanilang ahensya.

Hindi naman tinaggap ng mga opisyal ng SAICT ang naging dahilan na ito ng driver dahil hindi umano ito sapat na dahilan ayon sa Department of Transportation.

Sa ngayon ay nakapaghain na ng Show Cause order ang SAICT at DOTR para hingin na humarap sa kanila ang driver at magpaliwanag kasama ang kanilang mga kasamahan tungkol sa naturang paglabag.

In BINI, Aiah balances 'serious and unserious' sides

BINI's Aiah Arceta has a multifaceted personality -- at once a beauty queen, a singer and a dancer, and more recently, a fitness enthusiast with a newfound love for sports.

In the Nation's Girl Group, Arceta finds she can balance all these aspects of her life and thrive.

The 23-year-old tried her hand at pageants in 2018, joining Miss Silka Philippines. When it came time to be a singer and a dancer, Arceta acknowledged that the transition was not easy.

"It was really hard, kasi sa pageant parang it's the whole package, versus sa BINI na talagang talent talaga na sing and dance na performance," she said.

"Mas hindi sing and dance yung focus sa pageant. It's nice I get to expand more of my knowledge and learn new skills," she added.

As a beauty queen, Arceta needed to follow pageant etiquette. But in BINI, she freely enjoys the "unserious" vibe and humor of the group.

"Dito ko na na-feel, dito sa BINI na, okay lang. You can be unserious, but you're still you," she said. "Naba-balanse 'yung serious and unserious."

Even as BINI has risen to fame in the past year and they have gotten busier and busier, Arceta still found time to discover something new about herself. Recently, she has gotten more into sports and fitness activities.

"Boxing, swimming, wall climbing or bouldering, hiking, jogging, I wanna do sports," she said. "Kasi sports 'yung hindi ko gamay."

That she has become more active is a source of pride for her parents, says Arceta.

"Before, sobra akong shy, timid, weakling ako. Lagi ako nagkakasakit dati and my parents would push me to do sports, be active," she said. When she sent them a photo of her during a boxing session, her parents were "so happy and so proud," said Arceta.

Though she is already juggling plenty of activities and responsibilities, Arceta still has one more aspect of her life that she wants to add to the balance -- her academics.As of now, she has to "set aside" her studies because of BINI's busy schedule, but it's something that she intends to complete."For this year and next year, may naka-schedule na na ang dami nang lipad namin, different places and out of country. Yung schooling ko po, I have to set aside. For now. But I definitely wanna go back when I can, and gusto kong gumraduate sa school na pinag-aralan ko po," she said.

Elon Musk, itinalaga ni Trump para pamunuan ang bagong Department of Gov't Efficiency

Itinalaga ni US President-elect Donald Trump ang tech tycoon at billionaire na si Elon Musk para pangunahan ang bagong Department of Government Efficiency.

Sa isang statement, kinumpirma ni Trump ang pagtatalaga niya kay Musk.

Sa ilalim ng bagong departamento, magbibigay ito ng payo at gabay sa labas ng gobyerno, ibig sabihin hindi ito uupo sa formal federal government structures.

Ang tungkulin ng bagong organisasyon ay para i-dismantle ang burukrasiya sa gobyerno at tapyasan ang spending.

Makikipag-partner din ang organisasyon sa White house at sa pre-existing na Office of Management & Budget para palakasin ang malakihang structural reform.

Kasama naman ni Musk na mamamahala sa naturang organisasyon ang dating Republican primary candidate na si Vivek Ramaswamy.

In-appoint din ni Trump si Pete Hegseth, Fox news host at combat veteran para maging Defense Secretary at si John Ratcliffe bilang kaniyang director of national defense.

Russia itinangging tinawagan ni Putin si Trump

Itinanggi ng Kremlin na tinawagan umano ni Russian President Vladimir Putin si US President-elect Donald Trump.

Lumabas kasi ang ulat na tinawagan ni Trump si Putin at binantaan nito ang patuloy na kaguluhan sa Ukraine.

Ayon kay Kremlin spokesperson Dmitry Peskov na walang katotohanan nasabing mga balita at ni minsan ay hindi nagkausap ang dalawa.Magugunitang nagbitiw ng pahayag si Trump sa kaniyang kampanya na sa isang iglap lamang ay kaniyang patitigilin ang giyera sa pagitan ng Ukraine at Russia.

US VP Kamala Harris mainit na sinalubong sa White House

Mainit pa rin na sinalubong ng ilang daang staff ng White House si US Vice President Kamala Harris.

Ito kasi ang unang pagkakataon ni Harris na nakabalik sa White House matapos ang kaniyang pagkatalo sa pagka-pangulo.Nagtipon-tipon ang mga staff ng White House sa labas ng Eisenhower Executive Office Building at doon binati ang Vice President.

Nakatakda rin itong makipagpulong kay US President Joe Biden.

Dating kritiko ni US President-elect Donald Trump, posibleng italaga bilang State Secretary

Posibleng pangalanan ni US President-elect Donald Trump bilang State Secretary si incumbent Florida Senator Marco Rubio, batay sa ulat ng mga US-based international news organization.

Si Rubio ay isa sa mga dating kritiko ng nahalal na pangulo ng Estados Unidos.

Noong 2016, habang naghahangad na makakuha ng Republican presidential endorsement si Rubio laban kay Trump ay tinawag niya si Trump bilang isang 'con artist' at pinakamalaswang tao na nakilala niyang nag-asam na maging pangulo.

Gayunpaman, ilang mga malalapit sa kampo ni Trump ang tumukoy kay Rubio bilang isa sa mga pangunahing kandidatong pinagpipilian para maging State Secretary.

Si Sen. Rubio ay anak ng mag-asawang Cuban immigrants na nanirahan sa Miami. Nakakuha siya ng Political Science degree noong 1993 sa University of Florida.

Una siyang nahalal siya sa US Senate noong 2010.

Sa kasalukuyan ay may ilang personalidad nang pinangalanan ni Trump bilang bahagi ng kaniyang gabinete. Isa rito ay si Tom Homan bilang border tsar ng US at New York Representative Elise Stefanik bilang US Ambassador at UN.

Dalawang malalakas na lindol, magkasunod na naranasan sa bansang Cuba

Niyanig ng mapanganib na 6.8 magnitude na lindol ang eastern Cuba nitong linggo, ilang araw lamang matapos hagupitin ng hurricane Rafael na nagdulot sa kanila ng nationwide blackouts.

Ayon sa United States Geological Survey, ang epicenter ng naturang pagyanig ay naitala sa may bahagi ng 25 miles south sa munisipalidad ng Bartolomé Masó, Cuba.

Bukod pa rito, ginulantang na sila ng 5.9 magnitude na lindol, isang oras bago maranasan ang ikalawang malakas na paggalaw ng lupa.

Bagama't dalawang magkasunod na lindol ang gumulat sa bansa, hindi ito nag-udyok upang magkaroon ng pangamba sa posibleng mabuong tsunami.

Gayunpaman, wala namang naitala ang mga awtoridad na bilang kung mayroong nasawi dahil sa pangyayari.

MMA: Islay Bomogao satisfied with ONE debut -- 'I was able to show new tricks'

Filipina fighter Islay Erika Bomogao gave herself passing marks after a successful debut in ONE Championship this past weekend, The 24-year-old Bomogao dominated Japanese striker Fuu in their 100-pound catchweight Muay Thai bout at ONE Friday Fights 86 on November 8, where she took her first win inside Lumpinee Stadium in Bangkok, Thailand.

"I'm happy that I was able to show new tricks, tricks that aren't usually seen in Muay Thai. I was throwing hook kicks, I was throwing back kicks," said Bomogao, who was among the several Filipino fighters in action last weekend in Thailand.

"I wanted to show that Muay Thai is so much more than roundhouse kicks, teeps, punches and elbows. We can be creative as well and put on new moves; that's what I'm happy about," she added.

While she leaves the full assessment of her performance to her coaches, Bomogao is happy that she was able to execute her game plan, despite coming in with plenty of hype -- and pressure.

"Personally, I think it was a good performance. I think I was able to execute my game plan, control her with my teeps, use my boxing, and move around. But the overall assessment would be really up to my coaches, because they're the ones who are really watching," she said.

Still, the Filipina knows that there is room for improvement. In particular, she is not satisfied with her defense against Fuu and believes she could have done a better job with her offense.

"For improvement, I feel like I need more head movement. I was getting hit a couple of times. I'm gonna work on that with my team," she said. "Then more straight combinations, not just one-two. I have to string more [together]. Maybe I have to put together strikes in one go."

Aside from Bomogao, also triumphant last weekend was Filipino-American fighter Jackie Buntan, who pulled off an upset of Anissa "C18" Meksen to win the inaugural ONE Women's Strawweight Kickboxing World Title at ONE 169.Meanwhile, Fritz Biagtan came through with a unanimous decision win against Seyedali Asli, while Carlos Alvarez pulled off a second round stoppage of Mirza Aliev.

It was not a clean sweep for Filipinos, however, as Danny Kingad absorbed another loss at the hands of Adriano Moraes in a flyweight bout.

NBA superstar Stephen Curry, muling gumawa ng 36-point performance sa panalo ng Warriors kontra OKC

Muling lumabas ang offensive firepower ni NBA superstar Stephen Curry sa naging panalo ng Golden State Warriors kontra Oklahoma City Thunder ngayong araw, 127 – 116.

Gumawa ng 36 points ang 36 anyos na si Curry, kasama ang pitong assists at limang rebounds sa loob ng 36 mins na paglalaro.

Gumawa naman ng 19 points at sampung rebounds ang bagong guard ng GS na si De'Anthony Melton, habang 20 points ang ipinasok ni Jonathan Kuminga mula sa bench.

Napigilan ng Warriors ang comeback attempt ng OKC sa pangunguna ng All-Star na si Shai Gilgeous-Alexander.

Sa loob kasi ng unang tatlong quarter ay tinambakan ng GS ang OKC ng 28 big points at natapos ang third quarter sa score na 107 – 79.

Pinilit ng OKC na habulin ang halos 30 na kalamangan sa huling kwarter at nagawa nilang ibaba pa ito sa 5 points ilang minuto lamang bago matapos ang laban.

Gayonpaman, ibinabad na ng GS ang dalawang Warriors legend na sina Draymond Green at Stephen Curry upang pigilan ang tuluyang comeback attempt ng Thunder. Sa pagtatapos ng 4th quarter, nagawa ng OKC na magpasok ng 37 points habang 20 points lamang ang kasagutan ng Warriors.

Muli namang ginamit ng Warriors ang malalim nitong opensa at nagpasok ng 21 3-pointers sa kabuuan ng laban.

Sa panig ng OKC, sinamantala nila ang 26 fouls na itinawag laban sa GS na naging dahilan upang gawaran sila ng 26 free-throw attempts. 21 mula rito ang naipasok ng Thunder.

Lakers coach ipinagtanggol ang paglipat ni Bronny James sa NBA G League

Ipinagtanggol ng Los Angeles Lakers ang paglipat kay Bronny James sa kanilang South Bay Lakers team ng NBA G League.

Sinabi ni Lakers coach J.J. Redick na mayroon na talagang plano ang koponan na hatiin ang oras ng mga rookie sa NBA at G League.

Mula pa sa simula ng paglalaro ni James ay alam na rin nito ang plano maging ang ama nitong si LeBron James.

Sa unang walong laro ng Lakers ay tatlong beses lamang na naglaro ang batang James kung saan mayroon itong naitalang apat na puntos sa loob ng kabuuang 13 minutong paglalaro.

Magugunitang nagtala ng record sa kasaysayan ng NBA ang mag-amang James dahil sa sila lamang ang magkasama na naglaro ng sabay sa iisang koponan.Hindi na matiyak ng Lakers coach kung kailan makakabalik sa NBA ang nakakabatang James.

Pangarap ni EJ Obiena na magkaroon ng sariling pole vault facility natupad na

Masayang iibinahagi ni Pinoy pole vaulter EJ Obiena na ang pangarap niya ay malapit ng matupad.

Sinabi nito na sa darating na Nobyembre 22 ay bubuksan na ang kaniyang bagong pole vault facility. Matatagpuan ito sa Marcos Stadium sa lungsod ng Laog, Ilocos Norte.Dagdag pa ng 28-anyos na atelta, na higit pa sa pag-uwi ng Olympic medal sa bansa ay pangarap niyang makakita ng mas maraming mga Filipino ang nagtatagumpay sa pole vault
