Isaiah 61:1-3

CHARISMATIC OUTREACH MINISTRIES FOUNDATION, INC.

The Spirit of the Sovereign LORD is on me, because the LORD has anointed me to preach good news to the poor. He has sent me to bind up the brokenhearted, to proclaim freedom for the captives and release from darkness for the prisoners, to proclaim the year of the LORD's favor and the day of vengeance of our God, to comfort all who mourn, and provide for those who grieve in Zion -- to bestow on them a crown of beauty instead of ashes, the oil of gladness instead of mourning, and a garment of praise instead of a spirit of despair. They will be called oaks of righteousness, a planting of the LORD for the display of his splendor.

DOST trains 14 Jasaan milk producers on food safety and good manufacturing practices

In its mission to enhance its production standards, the United Livestock Raisers Cooperative (ULIRCO) underwent training on Food Safety and Good Manufacturing Practices (GMP) from the Department of Science and Technology—10 (DOST 10).

ULIRCO is a National Dairy Authority-supported group that produces pasteurized milk under the brand name "Fresh Moo" in Jasaan, Misamis Oriental.

Fourteen staff and on-the-job trainees attended the training from DOST 10 on September 10, 2024.

ULIRCO, a recipient of DOST's Small Enterprise Technology Upgrading Program (SETUP), had previously benefited from milk processing equipment and laboratory analysis services provided through the program in 2022. The cooperative also received consultancy support through DOST's Manufacturing Productivity Extension Program (MPEX).

The cooperative is obtaining the FDA License to Operate (LTO) and Certificate of Product Regis tration (CPR). These certifications are crucial as they will enable ULIRCO to expand its product range and reach larger markets, including regional mall outlets, thereby increasing its market share and revenue.

ULIRCO's chairman, Wilfredo Perez, expressed his profound gratitude to DOST for their unwavering technical support. He emphasized that the training was not just a refresher but a crucial step towards securing their FDA LTO, a prerequisite for market expansion. Perez also expressed ULIRCO's eagerness to participate in more DOST programs in the future, recognizing DOST's pivotal role in their journey.

The session was led by Joanah S. Magto, Senior Science Research Specialist of DOST Misamis Oriental, who addressed the importance of identifying and mitigating food safety hazards, particularly given the perishable nature of milk. Michael Vincent V. Marte, a Professional Food Technologist of DOST Misamis Oriental, followed the discussion on Good Manufacturing Practices, underscoring the role of GMP in ensuring food safety and quality.

With DOST's Consultancy and Training Services, industries and MSMEs, like ULIRCO, are assisted in improving their compliance with Good Manufacturing Practices (GMP) requirements. (Michael Vincent V. Marte/DOST Misamis Oriental)

Layon ng kautusang ito na madaliin ang pagbili sa mga textbook at learning tools na siyang gagamitin ng mga mga-aaral at guro sa taong 2025.

Alice Guo faces charges in Valenzuela court

Dismissed Bamban Mayor Alice Guo, wearing a green Kevlar helmet and bulletproof vest, attends her arraignment at the Valenzuela Regional Trial Court on Friday. Guo faces charges related to graft.

Chinese nat'l na si Tony Yang na isinangkot sa illegal POGO operations,nahaharap rin ng financial scams issue sa China

Tinukoy ni Senadora Risa Hontiveros na siyang chairperson ng committee on Women, Children, Family Relations and Gender Equality sa Senado na sangkot rin umano si Yang Jian Xin alias Tony Yang ng umano'y financial scams sa mismong bansang China.

Pagbubunyag ito ng senadora nang humarap sa isang pulong-balitaan na isinagawa sa Cagayan de Oro City bago lumuwas pabalik Maynila kaninang umaga.

Sinabi ni Hontiveros na maliban sa kinasangkutan ni Yang na umano'y illegal activities ng Philippine Offshore Gaming Operations (POGO) na ka-transaksyon si dating Bamban,Tarlac Mayor Alice Guo natuklasan ng kanilang pananaliksik na pinaghanap rin pala ito sa gobyerno ng Tsina.

Dagdag nito na panibagong pagkasangkot sa pangalan ni Yang na umano'y may-ari ng non-operational POGO hub sa Barangay Cugman ng Cagayan de Oro at napatayo na Philippine Sanjia Steel Corporation sa loob ng PHIVIDEC Industrial Authority na nakabase sa Tagoloan,Misamis Oriental ay makakatulong sa patuloy na imbestigasyon na magbabalik bukas ng umaga.

Si Yang na gumagamit ng local name na Antonio 'Tony' Maestro Lim alyas Tony Yang ay kasaluluyang naka-home address sa Yakal Street,Brgy Cugman nitong syudad ay naaresto ng Presidential Anti-Organized Crime Commission at Bureau of Immigration sa loob ng Ninoy Aquino International Airport (NAIA) Terminal 3 mula Laguindingan Airport ng Misamis Oriental noong nakaraang linggo.

90% ng Health emergency allowance, nabayaran na ng DOH

Nabayaran na ng Department of Health ang 90% mula sa kabuuang Health Emergency Allowance obligation na P103.5 billion para sa mga health worker na nagtrabaho noong kasagsagan ng COVID-19 pandemic.

Ito ay kasunod ng desisyon ni Pangulong Ferdinand Marcos Jr. na pondohan ang natitirang P27.3 billlion ngayong taon.

Noong September 20, na-disburse na ang 64% o P17.4 billion mula sa karagdagang pondo na P27.3 billion.

Ayon kay Health Secretary Ted Herbosa, ang P20 billion na isinauli ng Philhealth sa Bureau of Treasury na sobrang bayad na hindi nagamit ang pinangdagdag sa pondo para sa HEA ng COVID-19 frontliners.

Kabilang sa mga pasilidad na nakatanggap lamang kamakailan ng health emergency allowance ay ang Cardinal Santos Medical Center sa San Juan City at Gentri Medical Center and Hospital sa General Trias, Cavite.

Samantala, nakatakda namang ipamigay sa Oktubre ang natitirang P2.9 billion para sa HEA payments sa Central offices ng DOH sa Cagayan Valley, Western Visayas, Zamboanga Peninsula, Northern Mindanao, Davao Region at Soccsksargen.

From Marikina to Ilocos Norte's first leather success with DOST 1

IN the culturally vibrant province of Ilocos Norte, a remarkable story of entrepreneurial achievement has emerged.

Niña Leather PH, founded by Niña Angelica C. Matias, stands as the first leather production firm in the province, a pioneering venture in an area previously unexplored for leather craftsmanship.

Nina's journey began in Marikina, a city renowned for its high-quality leather goods. Working as a corporate employee, she frequently bought Marikina's leather products as "pasalubong" for her loved ones in Ilocos Norte. This deep appreciation for Marikina's craftsmanship inspired her to bring the tradition to her hometown.

In 2016, Niña took a leap of faith and founded Niña Leather PH in her garage. She devoted herself to mastering every aspect of leatherworking, from cutting and stamping to sewing. Despite initial skepticism about whether she could market Marikina-inspired leather goods in Ilocos Norte, her perseverance paid off. The business thrived, leading to an increased demand that necessitated hiring additional staff and expanding production capabilities.

However, the COVID-19 pandemic posed severe challenges, as the non-essential goods sector suffered a decline. In response, Niña adapted by producing "inabel" masks in collaboration with local weavers, supporting her staff and community during a difficult time.

As the pandemic waned and demand for her products surged again, Niña Leather PH faced a critical need for expanded production capacity.

This was when the Department of Science and Technology Region 1 (DOST-1) came to their aid. Recommended by Sir Lawrence from T-Shirt Factory, a DOST SETUP beneficiary, Niña Leather PH was introduced to DOST 1-PSTO Ilocos Norte, under the guidance of Provincial Director Benjamin S. Mercado.

The DOST's Small Enterprise Technology Upgrading Program (SETUP) provided vital support through assessments, energy audits, and personnel training. The assistance included acquiring two heads of fully computerized embroidery machines and a UV printer, which significantly boosted production efficiency, product quality, and operational capabilities.

The impact of DOST 1's support was transformative. Niña Leather PH achieved a 22 percent increase in production, a 6 percent boost in productivity, and a 22 percent rise in sales. Their client base expanded by 13 percent, reaching not only within the province but also nationally and internationally. The firm also contributed to the local community by hiring single parents and elderly individuals and creating valuable employment opportunities.

Niña has said she is grateful to DOST 1 for their crucial role in the firm's growth and encouraged other entrepreneurs to leverage the opportunities provided by DOST.

Estrada, pinasinungalingan ang espekulasyon na papalitan niya si Escudero bilang Senate President

Pinasinungalingan ni Senate President Pro Tempore Jinggoy Estrada ang espekulasyon na papalitan niya si Senador Francis "Chiz" Escudero bilang Senate President.

Ayon kay Estrada, wala siyang balak na maging pangulo ng Senado at komportable siya sa pamumuno ni Escudero.

Narinig daw niya noong nakaraang dalawa o tatlong linggo na mayroong umuugong na palitan ng liderato ng Senado ngunit hindi raw siya ang tinutukoy.

Wala rin aniyang lumapit at kumausap sa kanya na mga kapwa niya senador hinggil sa change of leadership.

Sa palagay ni Estrada mayorya ng mga senador ngayon ay suportado ang pamumuno ni Escudero.

Magugunitang bago mapalitan si Senador Juan

Miguel Zubiri ni Escudero bilang pangulo ng Senado, kasama din ang pangalan ni Estrada sa mga usap-usapan na uupo bilang bagong Senate President.

Ngunit hindi raw alam ni Estrada kung saan ito nanggagaling.

Wala rin aniya sa kanyang mga kasamahan na tinutulak siya na maging pangulo ng Senado.

Gayunpaman, tinitiyak naman ni Estrada na mananatili pa ring Senate President si Escudero sa pagtatapos ng break sa September 28 at pagbabalik sa November 4, 2024.

Gobyerno nakakulekta ng mahigit P25-B mula sa imported na bigas

Nakakulekta na ang gobyerno ng nasa P25-Bilyon na taripa mula sa mahigit 2.8 milyon metriko toneladang imported na bigas.

Ayon sa Bureau of Customs (BOC) na ang nasabing halaga ay mula Enero hanggang Agosto.

Sa nasabing walong buwan ay mayroong kabuuang P25.767 bilyon na koleksyon na ito ay 16.4 percent na mas mataas sa P22.139-B na naitala sa parehas na buwan noong nakaraang taon.

Isa sa mga dahilan nito ay ang pagtaas ng import volume na may mataas na declared value ng shipments.

Sa nasabing buwan ay nakapag-import ang bansa ng 2.865 milyon metric tons o 23.73 percent na mas mataas sa 2.316 milyo na metriko tonelada na naitala noong nakaraang taon.

Alice Guo makakasama sa selda ang isa sa kapwa akusado ni Quiboloy ayon sa BJMP

Magkakasama sa iisang selda si dismissed na si Bamban, Tarlac Mayor Alice Guo at ang isa sa mga kapwa akusado ni Kingdom of Jesus Christ (KOJC) Pastor Apollo Quiboloy, ayon sa Bureau of Jail Management and Penology (BJMP).

Sinabi ni BJMP Spokesperson JSupt. Jayrex Bustinera ngayong Linggo na inaasahang ililipat si Guo mula sa PNP custodial facility sa Camp Crame patungo sa Pasig City Jail Female Dormitory bukas, Lunes, Sept. 23.

Ani Bustinera, noong nakaraang 2 linggo ay mayroon ng tatlong dinala nakapwa akusado ni Quiboloy, pinaghiwa-hiwalay ito dahil tatlo lang ang selda, at ang isa sa mga ito ay makakasama ni Guo pati na rin ang iba pang kasalukuyang nakakulong.

Wala aniyang anumang special preparation para sa selda ng pinatalsik na mayor dahil sumusunod lang sila sa korte at kung ano ang dating itsura ng selda, ay 'yun na ang madadatnan ni Guo.

Samantala, una nang naghain naman si Atty. Si Nicole Jamilla, legal counsel ni Guo, ng urgent motion noong Sabado sa Pasig Regional Trial Court (RTC) na humihiling na manatili si Guo sa PNP custodial facility.

Pero inihanda na nila si Guo sakaling hindi maaprubahan ang kanilang kahilingan.

PNP chief, muling nagpaalala sa kapulisan na huwag magpagamit sa mga pulitiko

Nagpaalala si Philippine National Police Chief General Rommel Francisco Marbil sa mga kapulisan na huwag hayaang maimpluwensyahan o magamit ng mga pulitiko habang nalalapit na ang paghahain ng COC sa October 1-8 para sa 2025 midterm elections

Sa isang statement, inatasan ng PNP chief ang lahat ng local police units na manatiling mapagbantay at gampanan ang kanilang tungkulin nang mahusay sa ilalim ng Quad principle at tiyakin ang kaligtasan ng publiko.Pinaalalahanan din ni Gen. Marbil ang bawat opisyal na ang pagiging neutral sa pulitika ay isang pangunahing responsibilidad.

Ipinunto din niya na ang kanilang tungkulin ay pairalin ang batas at kaayusan nang walang bias o political partisan at sinabing ang sinuman na masasangkot sa partisan activities ay tutugunan nang naaayon.Naatasan din aniya ang PNP na protektahan ang demokratikong proseso at hindi ang pakikilahok dito.

Kaugnay nito, binigyang diin ng PNP chief na anumang uri ng political interference, direkta man o hindi ay agad na tutugunan ng kaukulang aksiyon

Nagpaalala din ito sa kapulisan kaugnay sa kanilang tungkulin na siguruhin ang mapayapa, maayos at ligtas na halalan gayundin sa publiko na makipag-tulungan sa mga awtoridad at ireport ang anumang iregularidad sa law enforcement personnel.

VP Duterte can step down if she is no longer interested in performing her duties: solon

Vice President Sara Duterte can "step down" if she is no longer interested in performing her duties and functions, according to a Vice Chairperson of the House Committee on Appropriations, citing her repeated absence in the budget deliberations of the House of Representatives.

House Deputy Speaker and Quezon 2nd District Representative David Suarez said this sentiment is shared by "a lot of members" of the lower chamber.Last September 10, Duterte snubbed the resumption of the House Committee on Appropriations' deliberations on the OVP's budget. She also did not show up in the September 23 House plenary debates, when the OVP was scheduled to be tackled.

"Consistent naman po 'yung Vice President natin, in fairness to her. Consistent in the sense na hindi siya dumalo noong Committee on Appropriations budget hearing, pati dito sa plenary, hindi dumalo. It shows that she's not interested with her duties and functions as the Vice President of the Philippines. Kung ganyan ang lumalabas, probably we can ask her to step down as the Vice President," AKO BICOL Party List Representative Raul Angelo Bongalon said.

"Mas pinili niya pang pumunta sa isang beach resort kesa dumalo dito sa pagdinig sa kanyang budget. So I guess it's the Filipino people. It's up to them to judge the Vice President," he added.

The Office of the Vice President said stories claiming Duterte was supposedly on a beach while the OVP's proposed 2025 budget was scheduled for plenary deliberations at the House of Representatives on Monday are an attempt to "besmirch the reputation of the Vice President." The OVP said Duterte made stops in Camarines Norte and Albay to talk the people there.

In their statement, the OVP noted that Duterte sent a letter to its budget sponsor at the lower house last September 11, to reiterate that the OVP leaves the deliberation of its budget proposal in the plenary "entirely to the pleasure of the House of Representatives".

But according to 1-RIDER Party List Representative Ramon Rodrigo Gutierrez, the letter did not state that Duterte will not attend or that she will send an authorized representative. The representative sent by the OVP on Monday had no written authorization, prompting the lower chamber to reschedule the plenary debates on its budget to Tuesday.

BETRAYAL OF PUBLIC TRUST?

Two lawmakers called Duterte's repeated absence to defend her office's budget utilization before the lower chamber a "betrayal of public trust". Despite this, lawmakers said impeaching the Vice President has not been discussed at the lower house."Technically, it is in a way, betrayal of public trust, but whether it would amount to impeachment, masyadong malayo naman po 'yun," Gutierrez explained.

"Sa majority, wala kaming napag-uusapan tungkol sa impeachment, hindi natin iniisip 'yan," House Assistant Majority Leader Jefferson Khonghun added.

NO REENACTED BUDGET

Congressmen said they will wait until Wednesday for the Vice President or an authorized representative of her office. If either of the two do not show up, Suarez said the House will just "cross the bridge when it gets there."

But they said a reenacted national budget for next year is unlikely."I don't think that is within any real means because so far naman all the other departments and agencies have fully complied with the requirements of the law," Suarez said.

"It's just a procedural issue, the budget process of Congress is slowing down to accommodate certain personalities to appear, to be heard, to be fair, to be lenient. And I think the leniency afforded on this procedural issue will have its limit and we will not sacrifice the budget for the sake of this procedural lapse. The substantive must reign and still we will pass this budget. What we're trying to say here is that the budget would wait for no man. But in this case, it is a woman," Gutierrez added.

"Kung ang tingin ng ating vice president eh kaya niyang isabotahe 'yong pagpasa ng budget ng ating pamahalaan for 2025, hindi po papayagan ng Kongreso 'yon," Khonghun noted.Some lawmakers also expressed relief that Duterte previously resigned from her post as Education Secretary.

"Buti na lang at si Secretary Angara na 'yong Secretary ng Department of Education," Khonghun said.

"Siyempre kung ito 'yong ugali niya bilang OVP tapos assuming na hindi siya nag-resign, eh 'di ano'ng nangyari sa budget ng DepEd? Isang milyon na teachers yata ang umaasa sa DepEd budget, at saka hindi lang 'yong mga teachers, 'yong mga bata, 'yong mga paaralan, 'yong mga magulang na umaasa sa maayos na edukasyon," Suarez added.

The House of Representatives targets to pass on final reading the proposed 2025 national budget on Wednesday. It terminated on Tuesday the plenary debates on the proposed budget of the Office of the President and the Department of Education.

Senate panel frees Shiela Guo, transfers custody to immigration bureau

Shiela Guo, the supposed "sister" of dismissed Bamban, Tarlac mayor Alice Guo, was released from Senate custody on Tuesday after the Committee on Women investigating illegal POGOs lifted the contempt order against her.

"Shiela Guo, the Senate's contempt order on you is lifted and I direct the OSAA (Office of Senate Sergeant-at-Arms) to transfer your custody to the [Bureau of Immigration] pursuant to the mission order issued by the Bureau against you," said Sen. Risa Hontiveros, chairperson of the panel.

Shiela was cited in contempt and ordered arrested on July 13, along with Alice and

other individuals, for their failure to attend its probe.

It was later discovered that the Guo siblings had fled the Philippines in the same week.

Shiela was arrested in Batam, Indonesia in August, and was turned over to Senate to attend its hearings. She faces complaints before the BI for alleged immigration violations.

Mahigit 40 POGO, isasara na ang operasyon sa pagtatapos ng 2024

Kinumpirma ng Department of Justice ang tuluyang pagsasara ng operasyon ng kabuuang 41 Philippine Offshore Gaming Operators bago matapos ang 2024.Ang DOJ ay bahagi ng binuong Task Force POGO Closure na nagsagawa ng pagpupulong sa unang pagkakataon nitong nakalipas na linggo.

Maliban sa DOJ, nagsisilbing miyembro rin ang Department of Labor and Employment, Presidential Anti-Organized Crime Commission at Bureau of Immigration.

Ayon sa DOJ, nagsabi na ang mga ito sa Philippine Amusement and Gaming Corp. (PAGCOR) ng kanilang kahandaan upang itigil ang operasyon, kasabay na rin ng naging kautusan ni PBBM.

Bago nito ay nagbigay ang DOJ ng palugit para sa mga foreign worker ng POGO na lisanin na ang bansa hanggang sa Oktubre-15.

Pagsapit ng Oktubre-16, lahat ng mga pre-arranged employment visa o 9G visa na ibinibigay sa mga foreign POGO worker ay ma-downgrade na sa tourist visa.

Ang non-compliance o hindi pagsunod dito ay nangangahulugan ng sapilitang repatriation.

Ayon naman sa Task Force, susundin nito ang 'streamlined and systematic approach' sa pagbabawal sa mga POGO upang magkaroon ng maayos na implementasyon sa naunang kautusan ni PBBM.

Operator ng landfill nitong lungsod ng Cebu, inatasan na resolbahin ang iba't ibang problema sa kapaligiran at kalusugan

Operator ng landfill nitong lungsod ng Cebu, inatasan na resolbahin ang iba't ibang problema sa kapaligiran at kalusugan kasunod na rin ng reklamo ng mga residente dahil sa mabahong amoy mula sa landfill

Inatasan ngayon ni Cebu City Acting Mayor Raymond Alvin Garcia ang operator ng Binaliw landfill nitong lungsod na magsumite ng report hinggil sa ginawang aksyon para resolbahin ang iba't ibang problema sa kapaligiran at kalusugan.

Ito'y kasunod na rin ng maraming natanggap na reklamo mula sa mga residente dahil sa mabahong amoy mula sa landFill at ang kontaminadong tubig na dumadaloy sa sapa na nakakaapekto sa komunidad.

Sa kanyang isinagawang site inspection noong nakaraang linggo, inatasan ni Garcia ang mga departamento ng lungsod upang imbestigahan ang isyu, pinalakas ang mga hakbang sa pagkontrol ng amoy, at nakipag-ugnayan sa mga operator ng landfill upang mabilis itong masolusyunan.Hiling din ng alkalde mula sa operator ang report hinggil sa "water quality" at kung ano ang kanilang mga pamamaraan na ginagawa tuwing may malakas na buhos ng ulan.

Sa panig naman ng operator ng landfill, inaasikaso na umano nila ang mga reklamong natanggap at ipinaliwanag na hindi maiiwasan ang pagsingaw ng amoy, lalo pa't sariwa pa ang mga basurang dinadala.

John 16:33 " I've told you all this so that trusting Me, you will be unshakable and assured, deeply at peace. In this godless world, you will continue to experience difficulties."

KAMUSTA KA NA?

Jesus never promises that if you trust Him, all your problems will disappear. In fact, He forewarned us that troubles will be part of our lives because we are living in an imperfect world which god is Satan.

2 Cor.4:4 " Satan, who is the god of this world, has blinded the minds of those who don't believe."

Remember, Satan's purpose is to kill, steal, and destroy us. (John 10:10) Thus, we must train ourselves to hold on to God's word and promises.

Phil.4:6-7 "Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; And the peace of God that surpasses all understanding will guard your hearts and minds through Christ Jesus."

God is a faithful covenant-keeper. If we invite Jesus in our life and make Him our Lord and Savior, He will carry us through all the difficulties, especially when we are down and out.

Isaiah 46:4 "I will still be the same when you are old and gray, and I will take care of you. I created you. I will carry you and always keep you safe."

God will never quit on you even at times when we're ready to give up, for He will be with you all the way.

Heb.13:5b-6 "For He Himself has said, "I will never leave you nor forsake you." So we may boldly say:

"The Lord is my helper;
I will not fear.
What can man do to me?"

Remember, you and God are a majority. Rom.8:31 "If God is for us, who can be against us?"

So pick up yourself, chin up, stand firm, and declare with great conviction, " I can do all things through Christ who strengthens me."

And I say "Amen" To that.

Marvel's 'Thunderbolts' trailer brings the thunder

Careful who you assemble. What happens when you put together 3 super-soldiers, 2 alums of Russia's infamous Red Room, a super-villain with molecular instability and quite possibly one of the scariest OP superheroes from Marvel Comics? You get the Thunderbolts*, Marvel Studios' latest offering in its cinematic universe.

Created by Kurt Busiek, the Thunderbolts were first presented as a team of superpowered good guys trying to save the world only to reveal that they were actually the Masters of Evil, composed of the Avengers' greatest adversaries.

In the MCU, the Thunderbolts are a team of antiheroes who go on missions for the American government - only to find that they may be facing a threat that could destroy the entire universe.

Sebastian Stan returns as Bucky Barnes/Winter Soldier, Captain America's closest friend who is now the de facto leader of the Thunderbolts. With him are Yelena Belova (Florence Pugh), the new Black Widow following her escape from the Red Room, her father the Red Guardian (David Harbour), Taskmaster (Olga Kurylenko) - an assassin with photographic reflexes, John Walker a.k.a. US Agent (Wyatt Russell) - a failed super-soldier, and Ghost (Hannah John-Kamen), who can phase through objects.

Into the mix is a new character known only as Bob (Lewis Pullman), who transforms into the superhero Sentry - a controversial comic book character with nigh omnipotent abilities who sometimes transforms into the Void, a supervillain with god-like powers.

Jake Schreier directs Thunderbolts* with Kevin Feige producing. Brian Chapek, Jason Tamez, and former Black Widow Scarlett Johansson serve as executive producers.

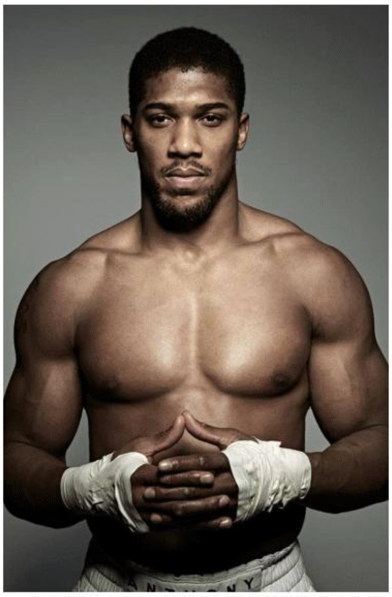
Joshua says boxing career ‘far from over’ after Dubois defeat



Anthony Joshua insists his career is “far from over” following his devastating knockout defeat to Daniel Dubois at Wembley, which raised doubts about his future in boxing.

Joshua was aiming to become a three-time world champion by claiming the IBF world heavyweight title on Saturday but was knocked out in the fifth round in front of a record-breaking official attendance of more than 98,000.

The 34-year-old was floored four times by Dubois and many people called for Joshua to retire afterwards.

But the British former Olympic champion released a video on X on Monday saying his journey in boxing is not over yet, with a potential rematch with Dubois as well as another all-British clash with Tyson Fury options in the future.

Joshua said he was determined to take the positives from the situation despite his mauling -- the fourth defeat of a 32-fight career.

“What a rollercoaster journey, but do you know what the problem is? It is far from over yet,” he said.

“We’ve done it once, we’ve done it twice, doing it a third time hasn’t been easy but I believe it is something I can achieve. It’s about making the right steps forward, working hard, improving and it has to come from here (heart) more than anything.

“It’s only been a day but I know when I sit back I know I’ve got a lot of this (heart), thanks for your support, thanks for being on this rollercoaster journey with me.

“Keep your seatbelts tight because deep down in here I know we have a lot more to bring to this game.”

Joel Embiid, nakatakdang pumirma ng panibagong contract extension

Pumayag na si dating NBA MVP Joel Embiid na pumirma ng contract extension na tatagal ng tatlong taon.

Batay sa report ng NBA, nakatakdang pumirma ang bigman ng Philadelphia 76ers ng $193 million maximum contract extension.

Nakapaloob sa naturang kontrata ang player option para sa 2028-2029 season.

Samantala, sa hiwalay na pahayag ay sinabi ng Sixers star na gusto niyang manatili sa Phila sa kabuuan ng kanyang karera.

Ayon kay Embiid, marami pa ang dapat niyang gawin sa koponan. Nararapat lamang aniya na makakuha ang mga ito ng championship at nagsisimula pa lamang ang koponan para rito.

Sa nakalipas na offseason, nagawa ng Philadelphia na kunin si Paul George at pumirma ng $212 million contract.

Una na ring pumirma ng extension si Tyrese Maxey na nagkakahalaga ng $204 million.

Sa pagbubukas ng season, magkakasama na ang big-3 ng koponan na sina Embiid, CP3, at Maxey, isa sa mga nakikita ng mga NBA analysts na magiging malaking banta sa Eastern Conference.

Boston Marathon may ilang pagbabago sa 2026

May pagbabagong ipapatupad ang organizers ng sikat na Boston Marathon ang qualifying times sa darating na 2026.

Ayon sa Boston Athletic Association na dapat ang mga runners ay maabot ang 26.2-mile race na limang minutong mas mabilis kumpara sa mga nakaraang taon para makakuha ng numero.

Paliwanag ni Jack Fleming, pangulo at CEO ng Boston Athletic Association, na kada taon ay may mga pagbabago silang ginagawa.

Ipinakilala ang nasabing qualifying time noong 1970 at ito ay binago kada dekada.

Habang ang mga runners na sumasali para makalikom ng pera sa charity ay hindi na kailangan maabot pa ang qualifying standard

Nangangahulugan nito na ang mga runners na may edad 18 hanggang 34 ay kailangan tumakbo sa marathon ng dalawang oras, 55 minuto o mas mabilis pa para makasali sa 2026 edition.

Alcaraz fears tennis tour grind will ‘kill us’

The 21-year-old French Open and Wimbledon champion is currently taking part in the Laver Cup, his 14th tournament of the year.

Before arriving in Berlin the Spanish star had already played 50 singles matches in 2024, winning three titles and also collecting a silver medal at the Paris Olympics.

“Probably they are going to kill us in some way,” Alcaraz said Saturday after defeating Ben Shelton in straight ses at the Laver Cup.

Alcaraz said that players had different opinions on the topic, but in his view “the calendar is so tight”, adding “right now there are a lot of injuries.”

“Right now a lot of good players are going to miss a lot of tournaments because of that.”

He added that the crowded schedule meant he sometimes struggled to motivate himself on the tour.

“Sometimes, you don’t want to go to a tournament. I’m not going to lie -- I have felt this way a few times already.

“Sometimes I don’t feel motivated at all. But as I’ve said many, many times, I play my best tennis when I smile and enjoy it on court. That’s the best option to keep motivating (myself).”

At the US Open, where he won his first Grand Slam title in 2022, Alcaraz suffered a shock second-round exit to 74th-ranked Botic van de Zandschulp.

He admitted he had blundered by not taking a longer break between the Olympics and New York.

At the Paris Games, he lost an emotionally-draining gold medal match to Novak Djokovic, just weeks after sweeping the Serb off court to successfully defend his Wimbledon title.

“I took a little break after the Olympic Games. I thought it was enough. Probably it wasn’t enough. Probably I came here without as much energy as I thought I was going to (have),” he said after his US Open horror show.

“I have to think about it and I have to learn about it.”

- ‘ATP doesn’t care’ -

World number two Alexander Zverev, also playing at the Laver Cup, agreed with Alcaraz and demanded action.

“The ATP doesn’t care about our opinion -- it’s a money business,” said the German.

“It’s the longest season in sports. It’s unnecessarily long. We have an unnecessary amount of tournaments.”

Asked if the players would strike, Zverev said “we’re not allowed to boycott, we get fined if we don’t play tournaments”, adding “the tour goes on without you.”

“We need to do something about it. It’s not an easy solution, but a solution which needs to be made.”

Alcaraz and Zverev will not finish their seasons until late November when the Davis Cup Finals take place in Spain.

The 2025 season begins on December 27 with the United Cup in Australia.

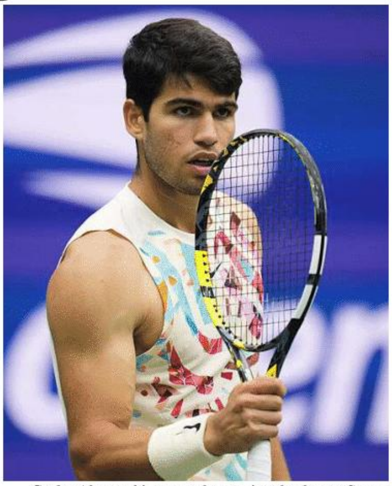
Meanwhile, Alcaraz said he hopes he and Jannik Sinner can carve out a storied rivalry like that of Djokovic, Rafael Nadal and Roger Federer.

“I hope so,” Alcaraz said when asked if he and world number one Sinner could emulate the dominance of the “Big Three” who amassed 66 Grand Slam titles between them.

“A lot of people talk about it. And I hear it, I’m not going to lie. I hope that our rivalry is going to be almost like what the big three had during their whole career.”

In 2024, Alcaraz and Sinner each won two Grand Slams, making it the first year since 2002 when neither one of Federer, Nadal or Djokovic won a major.

“Hopefully we’re going to keep going like that, fighting for the great tournaments, sharing great moments. He has pushed me to become a better player every day,” added Alcaraz after a 6-4 6-4 win over Shelton that drew Team Europe level on points with Team World at the Laver Cup.



Carlos Alcaraz hit out at the tennis calendar on Saturday, claiming the schedule is “going to kill us”.
