Fernando launches province-wide directive to institutionalize earthquake drills and secure critical infrastructure PAHINA 2

Political icon, longtime public servant: Juan Ponce Enrile dies at 101

Chief Presidential Legal Counsel Juan Ponce Enrile, one of the country's most enduring and influential political figures, passed away on Thursday. He was 101.

His daughter, Katrina Ponce Enrile, announced the former Senate President's passing in a social media post, saying he "peacefully returned to his Creator" at 4:21 p.m., surrounded by family at their home. "It was his heartfelt wish to take his final rest at home, with his family by his side. We were blessed to honor that wish and to be with him in those sacred final moments," she said. The family has requested privacy as they mourn, with details of public viewing and interment to be announced soon.

Born in Gonzaga, Cagayan, on Feb. 14, 1924, Enrile has been a central figure in politics for seven decades, serving in key roles in both the legislative and executive branches.

He was a lawyer, Cabinet official, senator, and later Senate President, a post he held from 2008 to 2013.

Enrile first rose to prominence in the 1960s, joining the Marcos administration and eventually serving as Minister of National Defense. He was elected to the Senate in 1987, where he became known for his mastery of legislation and legal debate. Over the years, Enrile played key roles in landmark political events and government reforms. He also returned to public service in recent years as Chief Presidential Legal Counsel under President Ferdinand R. Marcos Jr. Throughout his long career, Enrile was regarded for his sharp intellect, extensive knowledge of law and governance, and resilience in public life.

"He dedicated much of his life to the service of the Filipino people," Katrina said. "At this time, we humbly ask for understanding as our family grieves privately and honors his memory in peace." The family will make further announcements on arrangements for public viewing and funeral rites in the coming days. Enrile was reportedly under intensive care since earlier this week due to pneumonia. (PNA)

Fernando launches province-wide directive to institutionalize earthquake drills and secure critical infrastructure

CITY OF MALOLOS – Governor Daniel R. Fernando has mandated an immediate, province-wide intensification of disaster preparedness measures, focusing on the structural safety of educational institutions, establishment of dedicated, open-site evacuation centers and institutionalization of earthquake drills.

The governor's directives were issued during the Joint PDRRC and C/MDRRMOs Full Council Meeting yesterday, underscoring the necessity of a swift and decisive pivot toward maximum resilience.

This follows the updates from the Philippine Institute of Volcanology and Seismology (PHIVOLCS) and structural reports submitted by the Department of Education (DepEd) Bulacan.

In her presentation, Myleen C. Enriquez, Science Research Specialist of PHIVOLCS-DOST, highlighted the Philippines' position as one of the world's most seismically active regions, presenting the 'Orientation on Recent Earthquake Events and Possible Impacts of the West Valley Fault'.

Enriquez said the West Valley Fault, which traverses nearby provinces, has not moved in approximately 400 years, raising the possibility of a major movement, heightening the risk of a significant movement that could trigger 'The Big One', from which she introduced PHIVOLCS tools such as GeoRiskPH, HazardHunterPH, and the 'How Safe is My House', helping citizens and local governments assess building safety and hazards in their areas, with more information available at phivolcs.dost.gov.ph.

"Natural ang lindol at iba pang sakuna, pero ang trahedya ay maaari nating maiwasan sa pamamagitan ng kahandaan at tamang pagtugon," she reminded the participants.

This cautionary note was immediately contextualized by a report from Peter C. Lacap, DepEd Bulacan DRRM focal person, that as of October 23, 2025, 287 of 412 elementary schools and 75 of 100 secondary schools have

submitted building inspection reports conducted by municipal/city engineers wherein findings underscored that 104 elementary and 36 secondary schools were tagged as unsafe, involving a total of 416 classrooms requiring major repair or further engineering validation.

DepEd Bulacan is now coordinating with LGUs for rapid validation and structural reinforcement, prioritizing the development of robust Learning Continuity Plans and updated earthquake contingency measures to mitigate risks to students and personnel.

While expressing gratitude that Bulacan was spared by recent weather events, Fernando stressed that this reprieve must be seized to accelerate pre-disaster operational readiness and established a clear and binding mandates for all local government units, including 1) Establishment of Designated Open Evacuation Sites: LGUs must immediately identify, mark, and publicize dedicated, open evacuation areas and appoint a primary contact person in each site for earthquake response management; 2) Swift Procurement and Distribution of Emergency essentials: The PGB will oversee the rapid distribution of flashlights, whistles with lanyard, water bottles, and vital emergency provisions; and 3) Institutionalizing Drills and Safety Protocols: A formal memorandum will be issued requiring the inclusion of earthquake drills in schools' daily morning activities.

"Hindi naman po ako kontra sa 'duck, cover, and hold' dahil epektibo po ito sa mga mahihingang lindol," he said. "Pero sa panahon ngayon na malalakas na ang pagyanig, mas mainam na lumabas sa mga open site para mas ligtas. Dapat po nating paghandaan ito, lalo na ang mga bukas na lugar sa mga paaralan at mga tahanan."

The Provincial Government's action plan is focused on preemptive intervention to secure Bulacan's future against predictable seismic threats, ensuring that preparedness is a continuous and operational state, not merely a reaction.

'Agham na Ramdam' Takes Center Stage in Ilocos Norte as NSTW 2025 Building Smart and Sustainable Communities

Now on its third provincial conduction, following Iloilo and Cagayan de Oro, the NSTW 2025 marks another milestone in DOST's commitment to make "Agham na Ramdam"—science that is felt—by every Filipino, wherever they may be. According to DOST Secretary Renato U. Solidum, Jr., during the media kickoff last September 8, 2025, the move to bring NSTW outside Metro Manila reflects the Department's dedication to making the benefits of research, development and innovation accessible to all.

Secretary Solidum said that "After Iloilo and Cagayan de Oro, we are bringing NSTW to Ilocos Norte because science and technology must be felt by every Filipino, this is what we call 'Agham na Ramdam.'"

The annual NSTW serves as a platform to showcase the country's scientific advancements, research breakthroughs, and technological innovations that drive socio-economic growth and

improve quality of life. It also fosters collaboration among government agencies, the academe, industries, entrepreneurs, and local communities, all working together toward sustainable and inclusive progress.

Building on the successes of previous provincial celebrations that focused on the blue economy (Iloilo) and circular and green economies (Cagayan de Oro), this year's edition will center on smart and sustainable community development. The celebration will highlight how science and technology can transform cities, towns, and provinces into resilient, digitally connected, and environmentally responsible communities.

DOST Ilocos Region shared the same vision that communities where technology empowers citizens, promotes sustainable practices, and enhances the quality of life for everyone. The week-long celebration will feature exhibits, technology demonstrations, forums, and competitions that aim to inspire innovation and local adoption of scientific solutions. Events will be held across various venues in Ilocos Norte, including the Centennial Arena in Laoag City, where the opening program will take place on November 18, 2025.

Aligned with the four (4) pillars of DOST—human well-being, wealth creation, wealth protection, and sustainability—NSTW 2025

aims to demonstrate how science and technology directly contribute to the nation's long-term vision for a "Matatag, Maginhawa, at Panatag na Kinabukasan" in line with AmBisyon Natin 2040.

As the country continues to advance its innovation eco-

system, DOST Ilocos Region through the wholehearted initiative of the Regional Director Teresita A. Tabag and the whole DOST Ilocos Region family, invites every Filipino to take part in the celebration.

Through this year's NSTW in Ilocos Norte, DOST

Ilocos Region reaffirms its core values to bring service first and foremost through meaningful efforts and impact closer to the people—turning innovation into action and building smart, sustainable, and inclusive communities for the future.

The Department of Science and Technology (DOST) brings the 2025 National Science, Technology, and Innovation Week (NSTW) celebration to the heart of the North as it unfolds in Laoag City, Ilocos Norte, on November 18–21, 2025. With the sub-theme "Building Smart and Sustainable Communities," this year's NSTW underscores the vital role of science, technology, and innovation in empowering local communities and promoting inclusive development across the country. DOST, QPPO Award 10 Speed Drying Trays to Brgy. Matmad During Flag Raising Ceremony

The assistance was awarded during the Monday Flag Raising Ceremony of the Quirino Police Provincial Office (QPPO). In her message, Dr. Bilgera expressed her heartfelt gratitude to the men and women of QPPO for their unwavering dedication and service to the people. She emphasized DOST's continued commitment to bringing science, technology, and innovation (STI) closer to communities across the region.

"Patriotism alone is not enough to protect our people. Collaboration makes it more meaningful and effective. You are not only guardians of peace and order, but also partners in nation-building," she added.

During the ceremony, Solar Speed Drying Trays were formally awarded to Barangay Matmad, Nagtipunan, Quirino, as part of DOST's ongoing efforts to promote science, technology, and innovation to the grassroots level.

RD Bilgera also led the awarding of medals to the five (5) outstanding officers of QPPO in recognition of their exemplary service.

Through this activity, the partnership between DOST and the PNP continues to grow stronger — a testament to how inter-agency collaboration can truly transform lives — when science meets discipline and compassion meets courage.

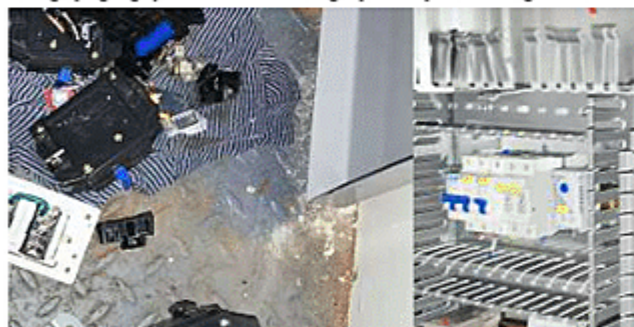

Ipinag-utos ni Manila Mayor Francisco 'Isko' Moreno Domagosa, sa rekomendasyon ng National Disaster Risk Reduction and Management Council ang 'price freeze' sa mga pangunahing bilihin.

Reward, inilaan sa ikadarakip ng nagnakaw ng pasilidad sa Cainta pumping station

Naglaan si Cainta, Rizal Mayor Kit Nieto ng P300,000 para sa makapagtuturo ng pagnanakaw ng mga pasilidad sa kanilang pumping station. Ginawa umano ang pagnanakaw sa isa sa apat na pasilidad na may malaking role sa pagpapahupa sana ng baha.

Nangyari ang insidente habang abala ang marami sa paghahanda sa epekto ng Super Typhoon Uwan. Nagpasaklolo na rin ang alkalde sa mga otoridad para ma-track ang salarin, lalo na kung ibinenta nito ang mga nakuhang pasilidad. Nananawagan din ang opisyal sa iba pang may impormasyon sa kaso na agad itong ipagbigay-alam sa kanilang opisina para matugunan.

SC, tinawag na 'fake news' ang post ukol sa umano'y pagharang ng Chief Justice sa pagsilbi ng ICC arrest warrant kay Sen. Bato

Pinabulaanan ng Korte Suprema ang kumakalat na mga post sa internet ukol sa umano'y pahayag ni Chief Justice Alexander Gesmundo hinggil sa arrest warrant mula sa International Criminal Court (ICC) laban kay Senador Ronald "Bato" dela Rosa.

Ayon sa mga pekeng post, naglabas daw ng kautusan si Chief Justice Gesmundo upang harangin ang pagpapatupad ng nasabing warrant. Ngunit sa inilabas na opisyal na abiso ng Supreme Court, tinawag itong "fake news."

Nilinaw ni SC spokesperson Camille Ting

na walang anumang pahayag na ibinigay ang Punong Mahistrado kaugnay ng naturang isyu.

Matatandaan, nauna ng ibinunyag ni Ombudsman Jesus Crispin Remulla na may inisyu na ang ICC na arrest warrant laban kay Dela Rosa bilang posibleng kasamang akusado ni dating Pangulong Rodrigo Duterte, na kasalukuyang nakakulong sa The Hague dahil sa inaakusang crimes against humanity laban sa kaniya may kaugnayan sa umano'y mga pagpatay sa ilalim ng war on drugs.

'Price freeze' sa mga pangunahing bilihin, ipinag-utos ni Manila Mayor Isko Moreno kasabay ng bagyong Uwan

Alinsunod sa Republic Act 7851 o 'The Price Act', mananatili sa kasalukuyang presyo o 'prevailing prices' ang mga basic commodities sa loob ng 60-araw.

Ibig sabihin, naka-price freeze ang partikular na mga produktong bigas, tinapay, itlog, gatas, gulay, prutas, cooking oil at iba pa kasama pati essential medicines.

Kung kaya't inatasan

nito ang Market Administration Office upang ipakalat ang naturang impormasyon at matiyak na nasusunod ang direktiba sa lahat ng pamilihan matatagpuan sa lungsod.

Kasabay nito'y binalaan rin ng lokal na pamahalaan ang mga negosyanteng di' tatalima sa price freeze at mahuhuling nag-hoard, nag-profiteer na siyang labag sa batas.

Mga kaanak ng umano'y EJK victims, hiling na ipatupad kung totoo man ang ICC warrant vs Sen. Bato

Nanawagan ang mga pamilya ng mga biktima ng kampanya kontra-droga na arestuhin si Senador Ronald "Bato" dela Rosa sakaling ipalabas ng International Criminal Court (ICC) ang warrant of arrest laban sa kanya.

Ayon sa grupong Rise Up for Life and for Rights, matalagal na nilang hinihintay ang araw na makulong ang mga kasabwat ni dating Pangulong Rodrigo Duterte sa ICC.

Binanggit ni Llore Pasco, na nawalan ng dalawang anak sa anti-drug operations, na "deserved ni Bato na makasama si Duterte sa kulungan" dahil sa kanyang papel sa mga pagpatay. Iginiit ng grupo na si Dela Rosa ang nagpalawak ng "Davao Death Squad" model sa pambansang antas nang siya ay maging hepe ng Philippine National Police.

Ayon kay Rubylin Litao,

national coordinator ng Rise Up, si Dela Rosa ay malinaw na kasabwat sa mga krimen laban sa sangkatauhan.

Dagdag pa ni Jane Lee, na namatayan ng asawa sa tokhang, patuloy silang umasa na makulong ang mastermind at lahat ng kasangkot.

Hinamon ng grupo ang administrasyong Marcos at ang Senado na huwag maging kanlungan ng mga kriminal at tiyak ang hustisya para sa mga biktima.

Fernando orders heightened preparedness as Typhoon Uwan strikes

CITY OF MALOLOS — Bulacan Governor Daniel R. Fernando has issued urgent directives to all provincial offices and residents of Bulacan to strengthen preparedness measures in anticipation of the effects of Super Typhoon Uwan, emphasizing the need for heightened vigilance, pre-positioning of relief supplies, and readiness for possible evacuations across flood- and landslide-prone areas.

As of 2:00 PM today, November 9, 2025, towns of Doña Remedios Trinidad, San Miguel, and Norzagaray are under Tropical Cyclone Wind Signal (TCWS) Number 4, while the rest of the province is under TCWS Number 3. Residents are reminded to stay alert and prepare for possible flooding and evacuation, particularly in low-lying areas. Following the recommendation of the Provincial Disaster Risk Reduction and Management Council (PDRRMC), Fernando issued Memorandum DRF-11092025-808, which orders the suspension of classes in all public and private schools and the suspension of work in all government offices and private companies, except those providing emergency, health, social, and

other essential services on November 10 to 11, 2025. Private offices are also advised to implement emergency work arrangements to balance worker's safety and public service, particularly for businesses providing essential goods and services. He also directed provincial offices to activate disaster response plans immediately. The Provincial Disaster Risk Reduction and Management Office (PDRRMO) is tasked with activating all disaster response teams, pre-positioning rescue equipment, and communication systems, issuing warnings to at-risk communities, and preparing evacuation plans for pre-emptive evacuation if necessary.

The Provincial Social Welfare and Development Office (PSWDO) is spearheading the preparation of evacuation centers and ensuring proper relief distribution; at the same time, the Provincial General Services Office (PGSO), together with the Provincial Engineer's Office (PEO), is organizing logistics and transport support with all provincial vehicles ready for rapid deployment of relief goods and evacuation, while the Provincial Civil Security and Jail Management

Office (PCSJMO) is safeguarding government facilities and key installations of the Provincial Government of Bulacan. Fernando also required all offices to maintain 24/7 monitoring, coordinate with the PDRRMC Operations Center, and liaise with city and municipal DRRMOs to ensure timely and efficient emergency response. Residents are also reminded to heed local government advisories.

"Sa ating mga kababayan, mahigpit kong ipinapaalala, makinig po tayo sa mga opisyal na abiso ng pamahalaan. Iwasan ang mga mapanganib na lugar, at kung kinakailangan kayong lumikas, makipagtulungan po tayo sa mga awtoridad. Ang pagsunod ninyo ay makapagligligtas ng buhay," the governor stated.

Meanwhile, as of 12:00 noon today, a total of 629 families or 2,393 individuals have been safely evacuated and are currently housed in 32 operational evacuation centers across the province.

For emergencies, Bulakenyos may contact the PDRRMO hotlines: 911, 791-0566, Globe 0905-333-3319, or Sun 0942-367-1455.

The Department of Science and Technology (DOST) Regional Office 02, together with the Provincial Science and Technology Office-Quirino (PSTO-Quirino), led by Regional Director Dr. Virginia G. Bilgera, awarded ten Solar Speed Drying Trays to Barangay Matmad, Nagtipunan, Quirino.

Charting the Course: DOST Northern Mindanao Sets Strategic Direction for FY 2026

The activity gathered provincial directors and regional unit heads to present and discuss their proposed projects, activities, budget requirements, and performance targets for FY 2026. Proposals centered on research and development, technology transfer and commercialization, innovation capacity development, and organizational improvement.

OIC-Regional Director Engr. Ruel Vincent C. Banal led the planning session, emphasizing the value of evidence-based planning and collaboration in achieving the department's goals. The event also featured the presentation of the FY 2026 National Expenditure Program (NEP) of DOST NorMin.

The operational planning aims to produce a consolidated Work and Financial Plan (WFP) and an Indicative Project Procurement Management Plan (PPMP) for FY 2026. These outputs will guide the region in setting clear objectives, ensuring efficient resource allocation, and enhancing accountability and performance monitoring.

By charting a clear and unified direction, DOST NorMin reaffirms its commitment to advancing a science-driven and innovation-led Northern Mindanao—one where STI initiatives deliver real and sustainable solutions for communities and industries.

CAGAYAN DE ORO CITY, October 30, 2025 — The Department of Science and Technology – Northern Mindanao (DOST NorMin) conducted its Operational Planning for Fiscal Year 2026 at Hamerson's Hotel, aligning regional priorities and strengthening the implementation of science, technology, and innovation (STI) programs across the region.

OCD, nakapagtala ng mahigit 1.4M indibidwal na apektado ng Super Typhoon Uwan

Umabot na sa 426,000 pamilya o 1.4 milyong katao ang apektado ng kalamidad batay sa pinakahuling datos na inilabas ng Office of Civil Defense.

Ito ang kinumpirma rin ni OCD Deputy Administrator Assistant Secretary Bernardo Rafaelito Alejandro IV.

Kabilang sa mga apektadong lugar ay National Capital Region, Ilocos, Cagayan Valley, Central Luzon, CALABARZON, MIMAROPA, Bicol, Eastern Visayas, Cen-

tral Visayas, at Negros Island Region.

Mula sa mga nabanggit na rehiyon, ang Bicol Region ang nakapagtala ng pinakamaraming pamilya na inilikas.

Sinundan naman ito ng Eastern Visayas at CALABARZON.

Sa kasalukuyan, 92,000 pamilya o 318,000 katao ang nasa mga evacuation center.

Mayroon silang pansamantalang nanunuluyan sa halos 6,000 evacuation center.

Pamahalaang panlalawigan ng Albay, nakatutok sa pagbabalik ng supply ng kuryente sa lalawigan matapos ang pananalasa ng STY Uwan

Tiniyak ng pamahalaang panlalawigan ng Albay na tuloy-tuloy ang kanilang mga hakbang upang maibalik ng mas mabilis ang supply ng kuryente sa lalawigan.

Ito ay matapos ang naging pananalasa ng Bagyong Uwan kahapon.

Ayon kay Governor Noel Rosal, nakikipag-usap na ang pamahalaang panlalawigan sa pamunuan ng Albay Electric Cooperative (ALECO) upang mapabilis ang pagpapalitan ng kuryente sa lahat ng apektadong lugar.

Pinuri rin ng gobernador ang mga lokal na pamahalaan

sa kanilang mabilis na pagspond, lalo na sa maayos na paglikas ng mga residente bago pa man dumating ang bagyo.

Sinabi ni Rosal na ito ay patunay na mahusay ang sistema ng Albay sa pagspond sa mga kalamidad.

Dagdag pa ng gobernador, maglalabas sila ng Decampment Order kapag sigurado nang ligtas ang mga lumikas, at inaasahang maipatutupad ito bukas ng umaga.

Sa kasalukuyan, nananatili pa rin sa mga evacuation center ang mga residenteng apektado ng bagyo.

Halos 31-K pamilya sa Aurora, inilikas sa kabuuan ng paghagupit ng ST Uwan

Umabot sa mahigit 30,800 katao ang lumikas sa mga ligtas na lugar at kasalukuyang nasa mga evacuation centers sa iba't ibang munisipalidad sa Aurora, sa kasagsagan ng pananalasa ng Super Typhoon Uwan.

Ito ay batay sa ulat na inilabas ngayong araw (Nov. 10) ng Aurora Provincial Disaster Risk Reduction and Management Office (PDRRMO).

Kung babalikan ay naglandfall ang naturang super typhoon sa naturang probinsiya, taglay ang mahigit 230 km/hr na hangin.

Ayon sa PDRRMO,

marami sa coastal towns ng naturang probinsiya ay dumanas ng matinding pagbaha dahil sa matataas na alon, kung saan sa ilang lugar ay umabot pa sa mahigit 15 talampakan ang taas.

Sa naging ulat naman ng Aurora District Engineering Office (DEO), ilang pangunahing kalsada sa lalawigan ang pansamantalang hindi madaanan dahil sa mga natumbang puno, debris flow, at pagguho ng lupa.

Sa kabila ng matinding pinsalang dulot ng bagyo, wala namang naitatalang casualty hanggang sa oras na inilabas ang naturang ulat.

Canada, ikatlong pinakamalaking kalahok sa Balikatan 2026

Inaasahang magiging ikatlong pinakamalaking kalahok ang Canada sa gaganaping Exercise Balikatan 2026 sa Pilipinas, matapos mapirmahan ang Status of Visiting Forces Agreement (SOVFA) sa pagitan ng dalawang bansa, ayon kay Canadian Ambassador David Hartman.

Sinabi ng embahador na ang mga naturang aktibidad ay patunay ng patuloy na paglalim ng ugnayang pang-

depensa ng Canada at Pilipinas.

Dati nang lumahok ang Canada bilang observer sa mga nakaraang Balikatan exercises. Sa 2026, inaasahang magkakaroon ito ng higit sa 500 magkasanib na aktibidad militar, kabilang ang malawakang pagsasanay at palitan ng kaalaman sa pagitan ng mga eksperto.

Ayon kay Hartman, magbibigay-daan din ang Status of

Visiting Forces Agreement sa tuloy-tuloy na partisipasyon ng Canada sa mga joint maritime cooperation activities sa West Philippine Sea.

Sinimulan ang pormal na negosasyon para sa kasunduan noong Enero 16 at natapos noong Marso 7. Pormal itong nilagdaan noong Nobyembre 2 at magkakabisa matapos ang pagpapatibay ng Senado.

Sapilitang pagpapalikas sa paghagupit ng bagyong Uwan, pinatututukan ni PNP Chief Nartatez Jr.

Pinatututukan ni Philippine National Police Chief Police Lieutenant General Jose Melencio C. Nartatez Jr. sa mga miyembro ng kapulisan ang sapilitang pagpapalikas sa paghagupit ng bagyong Uwan lalo na sa mga nasa baybaying dagat, tabing-ilog at bahain lugar.

Ito'y kasabay sa paghagupit ng malakas na bagyong Uwan ngayong araw sa bansa kung kaya't nais ng naturang hepe ng pambansang pulisya mabigyan ito ng atensyon.

Iniutos din niya sa mga pulis na pamunuan ang mga operasyon sa pagsagip at maging pati pamamahagi ng tulong sa mga biktima ng sakuna.

Gayunpaman tiniyak ni Chief PNP Nartatez Jr. nakaalerto ang National Headquarters ng pambansang pulisya sa pag-monitor ng sitwasyon at pagbibigay karagdagang pwersa o tyong sa hanay ng kapulisan.

Sa inilabas namang direktiba ng naturang opisyal, ipina-activate nito sa lahat ng regional at provincial directors ang Risk Reduction Management Task Groups bilang tugon sa paghagupit ng bagyo.

Ilang bahagi ng Metro Manila, binaha – MMDA

Iniulat ng Metropolitan Manila Development Authority (MMDA) ang pagbaha sa ilang bahagi ng Metro Manila ngayong Lunes ng umaga bunsod ng pananalasa ng Bagyong Uwan.

Sa inilabas na flood alert ng MMDA, kabilang sa mga binahang lugar ang lungsod ng Navotas.

Ayon sa ulat na isinapubliko bandang 7:55 ng umaga, ang mga sumusunod na kalsada ay apektado:

Phivolcs, naglabas ng lahar advisory sa paligid ng Mt. Mayon

Naglabas ang Phivolcs ng Lahar Advisory para sa Mt. Mayon kaugnay ng inaasahang pag-ulan dulot ng Severe Tropical Storm Uwan.

Ayon sa inilabas na Weather Advisory #6 at Preparatory Flood Information Forecast para sa Bicol River Basin ng Pagasa kaninang 11:00am, makakaranas ng malalakas hanggang matinding pag-ulan (na aabot sa 400mm) ang Bicol Region na maaaring magdulot ng pag-ayos ng volcanic sediment o lahar sa mga lugar sa paligid ng Bulkang Mayon.

Partikular na apektado ang mga komunidad malapit sa mga daluyan ng tubig sa Miisi, Binaan Mabinit, Buyu-

an, Anoling, Matan-ag, Basud, Quirangay, Tumpa, Sua, Muladbuad, Nasisi, Nabonton, Buang, San Vicente, Bulawan, Lidong, Masarawag and Maninila Channels.

Maaaring maganap ang lahar o agos ng putik mula sa bulkan dahil sa tuluy-tuloy na ulan, na magdudulot ng pagbaha, pagkasira, o pagkalubog ng mga mabababang lugar.

Pinapayuhan ng mga eksperto ang mga residente at lokal na pamahalaan sa mga nabanggit na lugar na maging mapagmatyag, patuloy na sumubaybay sa kalagayan ng panahon, at magsagawa ng hakbang para sa kaligtasan.

MDRRMC Malay, nagpatupad ng forced evacuation dahil sa Super Typhoon Uwan; water sports activities at paliligo sa dagat, ipinagbawal sa Boracay

Nagpatupad ng forced evacuation ang Municipal Disaster Risk Reduction Management Council (MDRRMC) Malay, Aklan, linggo ng gabi dahil sa high tide kung saan, pinangambahan na tumaas ang water level sa mga low lying at coastal areas na makaapekto sa kaligtasan ng mga residente.

Ayon kay Catherine Fulgencio, MDRRMO head ng LGU Malay, kaagad nilang inilikas ang mga nasa mababang lugar dahil sa naranasan narin na mga pagbugso-bugsong ulan dulot ng Super Typhoon Uwan kung saan, isinailalim sa tropical cyclone wind signal number 1 ang buong lalawigan Aklan.

Kaugnay nito, isinailalim rin ang ahensya at iba pang monitoring teams sa red alert status upang kaagad na makatugon sa oras ng emerhensiya.

Maliban ditto, mahigpit rin silang nakamonitor sa mga aktibidad sa mga baybayin matapos na may ilang bahagi ng dagat sa isla ng Boracay na ipinagbabawal ang paliligo kung malakas ang alon.

Gayundin, kanselado ang mga water sports activities para sa kaligtasan ng mga turista, bisita at bakasyunista.

Samantala, may mga pagkakataon na ikinakansela ng Philippine Coast Guard (PCG) ang byahe mula sa Caticlan jetty port patawid sa isla ng Boracay vice versa dahil sa hindi maganda na weather condition para narin sa kaligtasan ng mga byahero.

BSP pinalakas ang consumer lending

Pinalawig pa lalo ng Bangko Sentral ng Pilipinas (BSP) ang consumer lending.

Ito ay matapos ang pagtaas ng bilang ng mga umuutang sa mga bangko.

Ayon sa BSP napanatili ng mga baking sector ang kanilang loan quality kahit na

walang katiyakan ang pagtaas ng credit at nagdoble ang rates.

Dahil sa malakasa na demand ng mga borrower at favorable financing terms kaya tumaas ang bilang ng mga nangungutan.

Umaasa ang BSP na sa pagtatapos ng taon ay patuloy pa rin ang pagtaas ng mga bilang ng utang dahil sa mas pinagaan ng mga bangko ang termino sa pag-utang.

DA, planong magpataw ng MSRP sa imported red onions

Pinag-aaralan ng Department of Agriculture (DA) ang pagpataw ng maximum suggested retail price (MSRP) sa mga imported na pulang sibuyas.

Ito ay bilang tugon sa panibagong overpricing o pagpapataw ng labis na mataas na presyo sa mga pulang sibuyas na ibinebenta sa merkado, gayong mas mababa ang import price, habang mataas din ang supply.

Ayon pa sa DA, mababa rin ang farmgate price ng sibuyas sa kasalukuyang ngunit nananatili pa ring mataas ang presyo sa mga merkado.

Ayon kay Agriculture Secretary Francisco

Tiu Laurel Jr., nagpapakita ito na mayroong mga nananamantala sa industriya ng sibuyas.

Posible aniyang kagagawan ito ng retailers na direktang naglalabas ng supply sa mga merkado.

Batay sa kasalukuyang monitoring ng DA, umaabot sa P140 ang kada kilong presyo ng sibuyas sa mga merkado.

Gayonpaman, sinabi ni Laurel na dapat ay hindi na tataas pa sa P120 ang kada kilong presyo nito, habang makatwiran na rin umanong magpataw ng P100 at P110 per kilo dahil tiyak na mayroon ng kita ang mga mangingisda sa ganitong presyo.

Labi ng 4 na tauhan ng PAF na nasawi sa pagbagsak ng Super Huey helicopter sa Loreto, Agusan Del Sur, ginawaran ng heroes honor

Dumating na sa Villamor Airbase sa Pasay City ang mga labi ng apat na miyembro ng Philippine Air Force (PAF) na nasawi sa pagbagsak ng kanilang Super Huey helicopter sa Loreto, Agusan Del Sur noong Nobyembre 4.

Pinangunahan ni PAF Commanding General, Lt-Gen. Arthur Cordura, ang pagtanggap at paggawad ng Heroes Honor kina Captain Paulie Dumagan, Second Lieutenant Royce Louis Camigla, Sergeant John Christopher Golfo, at Airman First Class Ericson Merico.

Sinalubong din sila ng kanilang mga pamilya at mga

kasamahan mula sa 505th Search and Rescue Group.

Ang bawat isa sa mga bayani ay nakatanggap ng posthumous award at distinguished aviation cross. Sila ay bahagi ng 505th Search

and Rescue Wing ng PAF.

Tiniyak ng PAF na bibigyan ng tulong ang mga naulilang pamilya, kabilang ang katumbas na anim na buwang sahod ng mga nasawing miyembro.

LTO patrol cars, handang magdala ng relief supplies sa mga malalayong lugar na apektado ng ST Uwan

Ipinag-utos ni Land Transportation Office (LTO) Chief, Assistant Secretary Markus V. Lacanilao ang pahahanda sa mga patrol car ng ahensiya upang tumulong sa iba't ibang humanitarian operations kasunod ng pagtama ng Super Typhoon Uwan.

Ayon kay Lacanilao, handang ideploy ang mga ito upang magdala ng relief packs sa mga malalayong lugar.

Maaari ring magamit ang mga ito upang mag-escort sa mga truck na magdadala ng relief goods upang masiguro ang mabilis at ligtas na pagdating ng mga pangunahing pangangailangan sa mga komunidad na nasalanta.

Ipinag-utos din ng opisyal ang paggamit sa mga sasakyan sa paglililakas kung kinakailangan, at pagbibigay

ng transportasyon at suporta sa mga kagamitan at evacuees.

Ayon kay Asec Lacanilao

handang ang LTO na ipagamit ang mga sasakyan at tauhan sa anumang paraan kasunod ng pagtama ng bagyo.

Ilang bayan sa Zambales, nawalan ng kuryente dahil sa Super Typhoon Uwan

Ilang lugar sa apat na bayan sa Zambales ang nawalan ng kuryente nitong Linggo ng gabi, Nobyembre 9, dahil sa pananalasa ng Super Typhoon Uwan (international name: Fung-wong).

Ayon sa Zambales II Electric Cooperative Inc. (ZAMECO II), nagkaroon ng unscheduled power interruptions sa mga bayan ng Subic, Castillejos, San Marcelino, San Antonio, at San Narciso. Binanggit ng kooperatiba na

ang pagkawala ng kuryente ay dulot ng pagsasagawa ng clearing operation, patrolling, at inspeksyon ng kanilang linya habang bumubuhos ang malakas na ulan.

pinakahuling ulat ng PAGASA, nakataas ang Tropical Cyclone Wind Signal No. 4 sa Sta. Cruz, hilagang bahagi ng Zambales, habang ang natitirang bahagi ng probinsya ay nasa Signal No. 3.

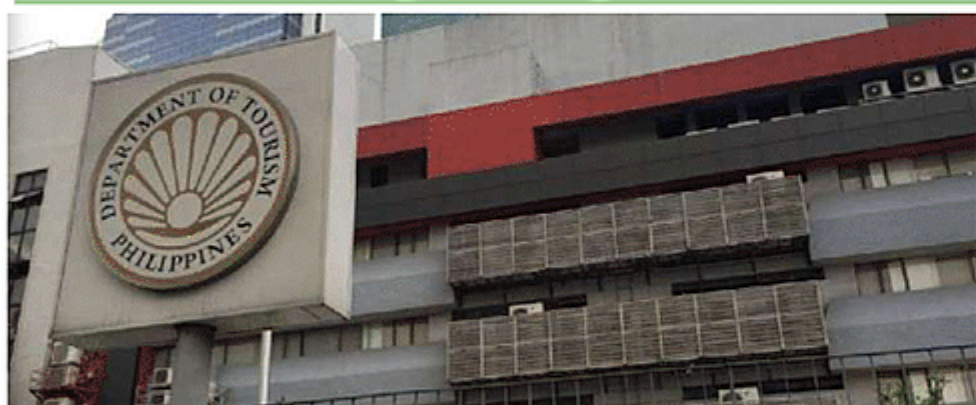

Pinapayuhan ang mga residente na manatiling lig-

tas at alerto, at siguraduhing mayroong emergency sup-

plies habang nagpapatuloy ang bagyo.

DOT, pinaalalahanan ang hotels at restaurant na huwag mananamantala sa gitna ng kalamidad

Pinaalalahanan ng Department of Tourism (DOT) ang mga hotel, restaurant at iba pang establishment na huwag mananamantala sa gitna ng mga kalamidad sa bansa.

Ito ay matapos makatanggap ang ahensiya ng mga reklamo hinggil sa umano'y overpricing at hindi makatarungang practices na nakakaapekto sa mga manlalakbay at manggagawa sa turismo.

Sa inilabas na abiso ng ahensiya ngayong Sabado, Nobiyembre 8, mariing pinapayuhan ng kagawaran ang accredited establishments na huwag magpatupad ng hindi resonableng pagtaas sa presyo para sa accommodation, restaurant services o iba pang mga alok may kinalaman sa turismo.

Hinihikayat din ng ahensiya ang lahat ng tourism enterprises na i-adopt ang patas at flexible policies para sa kanselasyon ng bookings at rebookings lalo na sa guests na naapektuhan ng nakanselang mga biyahe dahil sa kalamidad.

Binigyang diin pa ng ahensiya na ang

overpricing o pagtanggap sa serbisyo sa ganitong mga pagkakataon ay taliwas sa diwa ng hospitality ng mga Pilipino o magiliw na pagtanggap sa mga bisita.

Kaugnay nito, hinihimok ang mga establishment na proaktibong ipaalam sa mga parating na guests o bisita ang kasalukuyang estado ng kanilang mga pasilidad at operasyon kabilang ang anumang mga pinsala o limitasyong makakaapekto sa kanilang pananatili o planong mga aktibidad.

Nakikipag-ugnayan na rin ang ahensiya sa mga lokal na pamahalaan at iba pang concerned agencies para bantayan ang pagtalima ng mga establishment sa kanilang nasasakupan at tiyaking susunod ang accommodation facilities sa patas na presyo at ethical business standards.

Gayundin ang pag-asiste sa mga apektadong manggagawa sa turismo para matiyak na kasama sila sa relief at livelihood support programs.

2. Defendant **IVY CHARISSE TANANGCO PERPENIA and MA ASUNCION MARISSA CATALUNA TANANGCO**, and both legal ages, Filipino citizens and residents of 320A Dover Tower Hampton Gardens City Maybunga, Pasig, Metro Manila where they may be served with summons and other judicial processes.

2.1 Defendant John Doe is any person who may be in possession of the subject chattel, in violation of the rights of herein Plaintiff.

3. On June 17, 2023, Defendants **IVY CHARISSE TANANGCO PERPENIA and MA ASUNCION MARISSA CATALUNA TANANGCO** for valuable consideration, executed and delivered to Plaintiff a Promissory Note with Chattel Mortgage, under such terms and conditions therein specified, in the amount of **Four Hundred Thousand Philippine Pesos [Php400,000.00]**, with an interest rate of 1.500% per month, payable in **Forty-Eight (48)** monthly installments, in the amount of **Fourteen Thousand Three Hundred Thirty Four Philippine Pesos [Php14,334.00]** per installment, beginning July 09, 2023.

4. In order to secure payment of subject Promissory Note, Defendants also executed in Plaintiff's favor a Chattel Mortgage duly registered with the Registry of Deeds, under such terms and conditions therein provided, over a motor vehicle of which Defendants **IVY CHARISSE TANANGCO PERPENIA** is the registered owner in fee simple, said motor vehicle being more particularly described as follows:

Make	: CHEVROLET SAIL
Type	: CAR SEDAN
Model	: 2018
Plate No.	: NCU1596

Chassis Number	: LSGHD52H6HD309410

Machine copies of said Promissory Note with Chattel Mortgage, Affidavit of Good Faith, Annotation of Registration, Disclosure Statement on Loan/Credit Transaction, Certificate of Registration, and Official Receipt and of the above described motor vehicle, as proof that the same was voluntarily mortgaged in Plaintiff's favor by herein Defendants, are hereto attached and made integral parts hereof, respectively, as **Annexes "B", "B-1", "B-2", "C", "D" and "E"**.

5. Defendants **IVY CHARISSE TANANGCO PERPENIA and MA ASUNCION MARISSA CATALUNA TANANGCO** defaulted in the payment of their monthly installments on **September 09, 2023**, despite repeated demands, and in violation of the terms and conditions of the Promissory Note with Chattel Mortgage. For this reason, Plaintiff demanded from Defendants the payment of the whole balance of their obligation which as of **June 19, 2025**, has amounted to **Four Hundred Seventy-Nine Thousand One Hundred Seventy-Six Philippine Pesos [Php479,176.00]**, exclusive of interest, penalties and other lawful charges. Defendants' Statement of Account is hereto attached as **Annex "F"**.

6. The Promissory Note with Chattel Mortgage and Disclosure Statement on Loan/Credit Transaction provides for an acceleration clause or the immediate payment of all sums due in case of default. 7. Demands were made for Defendants to settle their obligation or in the alternative to surrender the possession of the vehicle. By reason of Defendants' unjustified and obstinate refusal to comply with their prestation, Plaintiff was constrained to institute the Complaint-at-bar, if only to protect its rights and interests. A copy of the Demand Letter and Affidavit of Service is hereto attached and made integral parts hereof as **Annexes "G" and "H"**.

8. As mortgagee, Plaintiff is entitled to the possession of the motor vehicle hereinabove described, together with all its accessories, equipment, and appurtenances, if any, pursuant to the provisions of the Deed of Chattel mortgage, as said Defendants **IVY CHARISSE TANANGCO PERPENIA and MA ASUNCION MARISSA CATALUNA TANANGCO** and **John Doe** are wrongly and wrongfully detaining the same for the purpose of defeating Plaintiff's mortgage lien thereon. Further, said mortgaged motor vehicle has not been taken for any tax assessment or fine pursuant to law, nor has it been seized under execution or attachment against Defendant's property, or if so, the same is exempt from seizure.

9. Plaintiff is ready, willing, and able to post a good, sufficient, and solvent bond in such amount twice the actual value of subject motor vehicle which, for Replevin purposes, is valued at **Three Hundred Sixty Thousand Philippine Pesos [Php360,000.00]** for the return of the same to the Defendants, if the return thereof should eventually be adjudged, and for

the payment unto the Defendants of such sum as may be recovered against the Plaintiff which now claims the physical delivery of the mortgaged vehicle. Printed copies of the advertisements from the internet on online platforms of the same model as of that the subject motor vehicle are attached hereto as **Annexes "I", "I-1" and "I-2"**.

10. Plaintiff intends to present **Jaica A. Leahao** as witness. The witness will testify on and prove the averments in the Complaint, and claims and causes of action of Plaintiff; that the Defendants obtained a loan from Plaintiff and executed loan documents such as Promissory Note with Chattel Mortgage, Disclosure Statement on Loan/Credit Transaction, in favor of Plaintiff; that Defendant secured the loan with the subject motor vehicle; that the Defendant defaulted in the payment of their loan obligation; that Defendant failed to settle obligations; and that Plaintiff is entitled to the Writ of Replevin. The witness will also identify documents and testify on important matters in relation to the Complaint. Attached hereto and made an integral part hereof in support of Plaintiff's prayer for the issuance of a Writ of Replevin, as herein prayed for, is a machine copy of the Affidavit of Merit of **Jaica A. Leahao** which includes the Certification of non-forum shopping, as **Annex "J"**.

11. Leahao**; and Judicial Affidavit of **Jaica A. Leahao**.

PRAYER

WHEREFORE, Plaintiff respectfully prays that:

1. Immediately upon the filing of this Complaint, an Order be issued against Defendants **IVY CHARISSE TANANGCO PERPENIA and MA ASUNCION MARISSA CATALUNA TANANGCO and John Doe** granting the issuance of a Writ of Seizure/Replevin, upon filing by Plaintiff of a Replevin Bond in such amount as may be fixed by this Honorable Court, and directing the Sheriff or other proper officer of this Honorable Court forthwith to take custody of the motor vehicle and upon due notice and hearing, a judgment be issued declaring and confirming Plaintiff's lawful and permanent possession of the vehicle and further ordering Defendants **IVY CHARISSE TANANGCO PERPENIA and MA ASUNCION MARISSA CATALUNA TANANGCO** to pay Plaintiff attorney's fees, damages, premium for replevin bond and such other expenses incurred relative to the seizure of the subject motor vehicle, at such amount as shall be proven during the trial on the merits, together with cost of suit. (b) Attorney's fee in the amount of Twenty-Five percent (25%) of the unpaid obligation plus Two Thousand Philippine Pesos (Php2,000.00) per appearance of Plaintiff's counsel.
(c) Cost of suit.

Plaintiff prays such other relief that this Honorable Court may deem just and equitable under the premises.
RESPECTFULLY SUBMITTED.

NEA, kinumpirma na aabot sa 20 electric coops ang naapektuhan ng STY Uwan

Maraming lalawigan sa Luzon at Visayas ang nakaranas ng malawakang pagkawala ng kuryente dahil sa matinding paghagupit ng Bagyong Uwan.

Ayon sa ulat ng NEA Disaster Risk Reduction and Management Department (DRRMD), 20 electric cooperative mula sa 12 rehiyon ang nagdeklara ng total power outage.

Kabilang sa mga apektadong lugar ang Bicol, Aurora, Nueva Ecija, Nueva Vizcaya, Quirino, Northern Samar, at Samar. Karamihan sa mga lugar na ito ay naputol ang linya ng kuryente at binaha.

Tinatayang halos tatlong milyong kabahayan ang nawalan ng kuryente noong kasagsagan ng bagyo.

Ayon sa NEA, pansamantalang pinatay ng ilang power distributor ang kuryente bilang bahagi ng safety protocol upang maiwasan ang disgrasya habang malakas pa ang ulan at hangin.

Tiniyak din ni NEA Administrator Antonio Mariano Almeida na binabantayan nila ang kalagayan ng 89 electric cooperative sa 55 lalawigan na dinaanan ng bagyo.

Higit P317-M na halaga ng tulong, naihatid ng DSWD sa mga apektado ng bagyong Tino at Uwan

Patuloy ang paghahatid ng tulong ng Department of Social Welfare and Development (DSWD) sa mga lugar na nasalanta ng Bagyong Tino at Super Typhoon Uwan.

Ayon sa huling ulat ng DSWD, umabot na sa higit P317 milyon ang halaga ng tulong na naibigay ng ahen-sya sa mga lokal na pamahalaan.

Nakapagpamahagi rin sila ng P752,000 na tulong pinansyal sa mga pamilyang naapektuhan ng bagyo.

Kabilang sa ipinadala ng DSWD ang 494,416 na family food packs, 17,380 ready-to-eat food packs, at 15,000 non-food items tulad ng hygiene kits at sleeping kits.

Tinatayang 1.7 milyong pamilya o mahigit anim na milyong katao ang naapektuhan ng dalawang bagyo.

Sa ngayon, may 289,000 pamilya pa rin ang nasa evacuation center dahil sa patuloy na pag-ulan at pagtaas ng tubig sa ilang lugar.

Mountain province, walang supply ng kuryente dahil sa pananalasa ng STY Uwan

Matinding problema sa suplay ng kuryente ang kinakaharap ngayon ng buong Mountain Province kasunod na pananalasa ng t ng Super Typhoon Uwan sa lalawigan.

Dahil sa lakas ng bagyo, lubhang napinsala ang mga imprastruktura na nagbibigay ng kuryente sa rehiyon, kaya't wala pang suplay ng kuryente sa kasalukuyan.

Ayon sa pinakahuling ulat na inilabas ng Mountain Province Electric Cooperative (MOPRECO), na siyang pangunahing nagbibigay ng kuryente sa lalawigan, tuluyan nang naputol ang daloy ng kuryente sa buong lalawigan pasado alas-diyos ng gabi kahapon, Nobyembre 10.

Dagdag pa rito, sinabi ni National Grid Corporation of the Philippines Spox Melma Batario na ang mga linya ng NGCP na nagsusuplay ng kuryente sa Mountain Province ay labis ding naapektuhan.

Sa kasalukuyan, puspusan na ang isinasagawang pagkukumpuni at pagsasaayos ng mga tauhan mula sa NGCP at MOPRECO.

Bukod pa sa problema sa kuryente, nahihirapan din ang komunikasyon sa buong lalawigan. Ito ay dahil sa epekto ng bagyo sa mga imprastruktura ng komunikasyon, kaya't limitado o walang signal ang mga cellphone at internet sa maraming lugar.

28 gates ng iba't ibang major dams sa Luzon, nagpapakawala ng tubig kasabay ng matinding pag-ulan

Sabay-sabay na nagpapakawala ng malaking bulto ng tubig ang 28 pinagsama-samang gates ng iba't ibang major dam sa Luzon, kasabay ng matinding pag-ulan ngayong araw (Nov. 10).

Sa updated report ng Hydro-Meteorological Division ng state weather bureau, pawang nagtaas ng dam discharge ang limang dam na dati nang nagbukas ng tubig bago ang pag-landfall ng Super Typhoon Uwan.

Sa kasalukuyan, ang Magat Dam sa Cagayan Valley ang may pinakamaraming pinapakawalang bulto ng tubig na aabot sa 1,416.94 cms na tubig. Ito ay halos doble sa pinapakawalan nito

bago tumama ang bagyo.

Sinundan ito ng Binga Dam at Ambuklao Dam.

Walong gates ng Ambuklao ang nakabukas at nagpapakawala ng 1,018.65 cms na tubig habang sa Binga Dam ay anim na gates na ang nakabukas at nagpapakawala ng 1,119.42 cms ng tubig.

Tig-tatlong gates naman ang nakabukas sa Angat at Ipo Dam na parehong nasa Central Luzon.

Nagpapakawala ang Angat ng 450.cms ng tubig habang halos 500 cms ng tubig ang pinapakawalan ng mas maliit na Ipo Dam.

Ayon sa state weather bureau, patuloy nitong binabantayan ang antas na tubig sa

major dams sa buong bansa, habang nagpapatuloy pa rin ang malawakang pag-ulan. Mula noong nag-landfall ang ST Uwan hanggang sa dumaan sa mainland Luzon,

pawang nagrehistro ng pagtaas ng tubig ang mga dam sa naturang lugar, kasama na ang pinakamalaking dam sa Pilipinas na San Roque Dam. Tumaas ng mahigit da-

lawang metro ang antas ng tubig sa naturang dam, dahil upang maabot nito ang antas na halos 274 meters, anim na metro bago ang normal high water level nito.

Sen. Go, muling binatikos ang palpak na flood control sa Cebu

Hindi lubos makapani-wala si Senator Bong Go sa matinding pinsalang iniwan ng Bagyong Tino sa lalawigan ng Cebu.

Matatandaang bumisita ang senador sa Cebu matapos ang malakas na lindol sa rehiyon, ngunit ayon sa kanya, mas nakapanlulumong tanawin ang iniwan ng bagyo.

Sa muling pagbisita ni Senator Go, ang mga biktima ng kalamidad mula sa iba't ibang bahagi ng lalawigan ay kaniyang pinuntahan upang alamin ang kanilang kalagayan at mga pangangailangan, at upang maghatid ng kaunting tulong.

Mariin ang panawagan ng senador sa national government na gamitin ang lahat ng resources upang maibalik sa normal ang pamumuhay ng mga nasalanta sa lalong mad-

aling panahon.

Sinalubong si Senator Go ng daan-daang evacuees, kung saan kapansin-pansin

ang matinding pangangailangan sa maayos at ligtas na evacuation centers.

Giit ng senador, na siya

ring Vice Chairman ng Senate Committee on Finance, dapat tiyakin ng pamahalaan na ang pondo ng bayan ay napupun-

ta sa mga proyektong tunay na may pakinabang, at hindi sa mga substandard na flood control o ghost projects.

Matco 3:2

"Ganito ang Kanyang sinasabi, "Magsisi kayo at talikuran ang inyong mga kasalanan sapagkat malapit nang dumating ang kaharian ng langit!"

TUNAY NA PAGSISISI

Sapat na ba ang paghingi ng tawad sa Dios upang sabihing tunay ang ating pagsisisi?

Gawa 26:20

"Nangaral ako, una sa Damasco, saka sa Jerusalem at sa buong lupain ng Judea, at gayundin sa mga Hentil. Ipinangaral kong dapat silang magsisi't tumalikod sa kanilang mga kasalanan, lumapit sa Diyos, at ipakita ang kanilang pagsisisi sa pamamagitan ng mga gawa."

Ano ang mga dapat nating gawin upang ipahayag na tayo'y nagsisisi.

1) May buhay-panalangin. Ang tunay na may ugnayan sa Dios ay sa pamamagitan ng isang lumalagong buhay-panalangin. Kailangan ito upang lumago ang isang mananampalataya sa kanyang pananampalataya. Ito'y hindi isang suwestiyon kundi utos ng Dios.

1 Tesalonica 5:17

"...palagi kayong manalangin..."

Ito ay isang utos upang lumago tayo sa pagkakakilala kay Hesus at magkaroon ng malalim na relasyon sa Kanya.

Ang panalangin ay paraan upang tayo ay makatangap sa Kanya at magawa natin ang Kanyang kalooban.

Juan 15:5

"Ako ang puno ng ubas at kayo ang mga sanga. Ang nananatili sa Akin, at Ako sa kanya, ang siyang nagbubunga nang sagana, sapagkat wala kayong magagawa kung kayo'y hiwalay sa Akin."

2) May bagong uri ng pamumuhay. Ang tunay na pagsisisi ay ang pagtalikod sa lumang pamumuhay at paglandas ng isang bagong buhay na kasama si Kristo.

2 Cor.5:17

"Kaya't kung nakipag-isa na kay Cristo ang isang tao, isa na siyang bagong nilalang. Wala na ang dati niyang pagkatao, sa halip, ito'y napalitan na ng bago."

3) Ang taong nagsisi ay may bago ng kaisipan.

Roma.12:2

"Huwag kayong makiayon sa takbo ng mundong ito. Sa halip, hayaan ninyong baguhin ng Diyos ang inyong pag-iisip upang maunawaan ninyo ang kanyang kalooban. Sa gayon, magagawa ninyo kung ano ang mabuti, kalugud-lugod at ganap na kalooban ng Diyos."

Ang taong may bago ng kaisipan ay ang makatatanggap ng pangunawa sa mga pahayag ng Dios.

Efeso 4:23-24

Magbago na kayo ng diwa at pag-iisip; at ang dapat ninyong isuot ay ang bagong pagkatao na nilikhang kalarawan ng Diyos, at nahahayag sa matuwid at banal na pamumuhay ayon sa katotohanan.

Gayun din naman, siya ay may kakayahang tumanggi sa alok ng laman, ng mundo at ng demonyo.

1 Juan 3:9

"Ang mga anak ng Diyos ay hindi nagpapatuloy sa pagkakasala, sapagkat nananatili sa kanila ang binhing mula sa Diyos. At dahil ang Diyos ang ama nila, hindi sila maaaring magpatuloy sa pagkakasala."

TO GOD BE THE GLORY.

Glen Powell says 'The Running Man' was 'hardest thing I've ever done'

Such is the premise of the science fiction action film "The Running Man," which stars Glen Powell, whose past works include "Top Gun: Maverick" and the romantic comedy "Anyone But You."

In an interview with ABS-CBN News, Powell shared that bringing "The Running Man" — based on a Stephen King novel — to life was nothing short of brutal.

"The hardest thing I've ever done. Not only something that's physically incredibly demanding, but emotionally, putting yourself in the perspective of a guy who's trying to show up for his fam-

ily," Powell said.

Powell portrays Ben Richards, who joins a deadly game show where contestants must survive 30 days while being hunted by "hunters" hired to kill them.

"His family's in a dire position. His daughter's gonna die, and he has to show up and sign up for a game show that no one's ever won before, where everyone has died," he said of his character.

While the story was written in 1982, Powell believes the message has never felt more true, reflecting the despicable ways that artificial intelligence and social media can be abused.

"We are all living in a reality show, right? I mean, the world that we live in is constantly being filmed. We are living in an Instagram and TikTok world in which narratives are being created and things are being edited and guided," Powell said, adding that the film is a "story about our times."

Powell hopes the story would inspire underdogs to believe that they can unite and fight.

"I think it's just a real great underdog story, just a real great human story," he said.

In a future where the poor are forced to fight for their lives on live television, one man volunteers, not for fame, but for family.

Disney and Pixar unveiled Wednesday the first teaser trailer for "Toy Story 5," introducing a new character that raises the question of whether technology has replaced traditional toys.

Bianca Bustamante 'more rough, tough' after GB3 rookie season

Racing in mixed grid, with tougher machinery, and longer track times throughout the 2025 GB3 Championship had been nothing short of challenging for Bianca Bustamante in her rookie season.

Despite lagging at the lower end of the grid in most races, the 20-year-old racer sees her struggles as valuable lessons to take to the next steps in her career.

"I was not expecting that much, but as a whole, it was a step forward. Honestly, I was terrified because I didn't know what to expect, but I learned where I am as a driver to progress," Bustamante said.

GB3, a feeder series that bridges Formula 4 and Formula 3, took its composition of karting and formula racing champions to the iconic tracks including Silverstone, Zandvoort, Hungaroring, and Monza, among others.

Bustamante raced with Elite Motorsports, where she

was teammates with fellow Filipino Flynn Jackes.

Spread in eight rounds with three races each, Bustamante took home 75 championship points, to place 22nd in the overall standings.

She also marked her personal best of P13 in Zandvoort and twice in Hungaroring.

"Despite the steep learning curve, three P13 finishes and multiple top 15 results were big positives. I feel that I have grown tremendously as both a driver and a person, learning from every lap and every event," she said.

Driving alongside fellow racers who have earned distinctions in various racing championships, Bustamante said this pushed her to up her game.

"I learned to be more rough and tough, more elbows out and more aggressive, because others are very smart and calculated at this level," she said.

As she sets her sights onto her next battleground, Bustamante cites needing more funding and sponsorship so she can train and improve better.

While she is yet to reveal her 2026 program, Bustamante shared which championship series she would like to compete in next.

"I want to compete in the Euro F3 or GP3 next year, and that time, as a better driver," she said.

"I've got more skills and more tools in my tool box, so I want to go for it," she added. Outside of GB3, the two-time F1 Academy race winner also had an opportunity to return to a special track and secure another impressive result.

In October, she lent her talents as a Formula E development driver for Cupra Kiro and secured a P3 finish at the Formula E Women's Test held in Valencia, Spain, particularly at Circuit Ricardo Tormo — the track where she made not only her first career victory, but also history as the first Filipina to win an F1 Academy race in 2023.

Racing in mixed grid, with tougher machinery, and longer track times throughout the 2025 GB3 Championship had been nothing short of challenging for Bianca Bustamante in her rookie season.

Pinoy MMA World Champion Joshua Pacio, haharapin si Yuya Wakamatsu sa Nov. 16

Nakatakdang labanan ng Japanese fighter na si Yuya Wakamatsu si ONE Strawweight MMA World Champion Joshua Pacio sa Nobyembre-16.

Maghaharap ang dalawa sa ilalim ng ONE Flyweight MMA World Championship.

Sa kasalukuyan, hawak ni Pacio ang Strawweight belt ngunit labanan siya sa mas mataas na dibisyon para harapin ang Japanese fighter.

Hawak ng Japanese fighter ang 19-6 na win-loss record kung saan sa labingsiyam na panalo, 12 ang naipanal niya bilang knockout (KO).

Kasalukuyan din siyang five-fight winning streak, at huling hinapag si Adriano Moraes sa octagon nitong March 2025.
