# Recto: Human security must be central to national security

Executive Secretary Ralph G. Recto has underscored that human security must be central to the Philippines' national security, saying that real security lies in safeguarding everything that allows Filipino families to live with dignity and hope.

## DOST CAR leads the benchmarking in Santa Rosa City to advance smart and sustainable initiatives

This activity is a key component of the project "Empowering Communities through SMART Roadmaps and Technologies," spearheaded by DOST-CAR. Its primary goal is to benchmark progressive cities across the country, with the City of Santa Rosa in Laguna recognized as a leading example. The event served as a vital platform for sharing best practices in implementing smart and sustainable community initiatives, including programs on digital transformation and smart governance efforts.

### Site Tour and Best Practice Sharing

The benchmarking delegation conducted a comprehensive site tour to observe Santa Rosa's innovative projects firsthand:

1. Water Testing Laboratory and Pyrolysis Facility: The tour commenced here, where Engr. Maria Amor Salandanan, City Environment and Natural Resources Officer, provided an in-depth discussion on the city's innovative waste management and circular economy projects.
2. Disaster Risk Reduction and Management Office (DRRMO): Mr. Antonio Z. Lu, City DRRMO Operations Manager, guided the delegation, showcasing Santa Rosa's advanced disaster preparedness and response capabilities. This included facilities, equipment, vehicles, the AI-powered traffic monitoring system, incident response mechanisms, and sophisticated weather monitoring approaches.
3. Santa Rosa City Hall and IT Room: The third stop focused on digital governance. Key information systems supporting internal business operations and health-related programs were presented, followed by a brief tour of the IT Room and the City Health Office.

The event concluded

with a courtesy visit to the City Mayor's Office, where the delegation was graciously received by Honorable Arlene Arcillas.

The City of Santa Rosa is one of the pioneer smart cities in the country and was recently recognized in various categories of DOST's Smart and Sustainable Communities Award during the 2025 National Science, Technology, and Innovation Week (NSTW) held in Laoag City last November 21, 2025. Among the seven distinguished awards received by the LGU are:

- In the Human Well-Being Pillar
- Quick Response: Safer Santa Rosa (Level 2)
- Santa Rosa Book and Ride: Free Toyota Community Shuttle (Level 3)
- Wealth Protection Pillar
- Increasing Santa Rosa City's Resilience Through Disaster

Preparedness (Level 2)

- Assistance of the Santa Rosa Manpower Training Center in the Employment of Graduate Students (Level 2)
- Santa Rosa e-Recruit: Digitalizing Local Employment Matching and Services (Level 3)
- Santa Rosa Central Command Center (SRCCC) (Level 3)
- Sustained Nourishment: A Collaborative Feeding Initiative with the City of Santa Rosa (Level 3)

Santa Rosa City, through the technical assistance of DOST-CALABARZON, continues to reinforce its commitment to serving as a model smart city—one that actively embraces and employs Science, Technology, and Innovation (STI) to sustain and elevate its standard of public service.

December 3, 2025  
Santa Rosa, Laguna

Through the coordination of DOST-CALABARZON, the Local Government Unit (LGU) of the City of Santa Rosa hosted a successful benchmarking activity on December 3, 2025. The event was attended by officials and representatives from various DOST regional and provincial offices.

In his speech at National Security Summit 2025, Executive Secretary Recto said national security must be defined by the everyday issues that affect the lives of Filipino families. "It is food that is affordable. Power that stays on. A job that pays enough. Truth in our newsfeeds. Trust in our institutions," he said. "Because security is more than the absence of a shooting war. It means the presence of opportunity," he added.

In line with this, the Executive Secretary commended the National Security Council (NSC) for aligning the National Security Strategy (NSS) 2024 with the Philippine Development Plan (PDP), which addresses every

thread of Filipino life—from farmers facing climate uncertainty, to soldiers guarding frontiers, to teachers shaping young minds against disinformation. To secure the Filipino people's future, the Executive Secretary highlighted that the Marcos Jr. administration is strengthening food security, expanding universal health care, and investing in quality education and workforce development.

"For our greatest asset—our empowered, enlightened, engaged and educated Filipino people," he said.

### Restoring Public Trust

Executive Secretary Recto also stressed that weak governance and institutional chal-

lenges—including corruption, misuse of public funds, and lack of transparency—pose serious risks to national security. "This is why we are pushing for good governance reforms—finally pursuing an anti-political dynasty bill, reforming the party list system, and giving public access to government expenditures," he said. "For building stronger and more transparent institutions is the nation's sturdiest security defense," he added.

He also highlighted the administration's commitment to fiscal discipline and maintaining a disciplined national budget focused on quality spending to ensure that public funds are directed to programs that genuinely benefit

the Filipino people.

To address multiple challenges the country is facing today, the Executive Secretary emphasized the need for strategic synergy across all sectors, including the uniformed forces, policy leaders, academics, civil society, industry, and local communities. He said that true national security requires "a government that moves as one, an economy that is strong and felt by every household, and a future defended by all." In closing, he urged all stakeholders to view the Summit as a renewed commitment—not just to protect the State, but to safeguard the hopes and dreams of every Filipino family.

## Filipino cyclists from PH, abroad conquer DRT's mountainous trails in Lakbike Festival Teban 7

CITY OF MALOLOS — Nearly 300 racers across the country and from abroad convened for another adrenaline-fueled installment of Lakbike Turismo: Lakbike Festival Teban 7 - Enduro Race, a premier downhill competition held last Sunday, December 7, on the rugged trails of Doña Remedios Trinidad, Bulacan, sealing the town's reputation as one of the adventure and eco-sports destination in Luzon.

Organized by the Provincial Government of Bulacan (PGB) through the Provincial History, Arts, Culture and Tourism Office (PHACTO) along with the Bulacan Gravity Crew, the event was participated by cyclists from La Union, Tuguegarao, Pampanga, Cavite, Batangas, Pangasinan, Tarlac, Metro Manila, Laguna, Baguio, Nueva Ecija, Bulacan, Cagayan De Oro, Bicol, Mindanao, Guam, London, Australia, Chicago, and Singapore. Steven Adler Paulino of the Bulacan Gravity Crew expressed his gratitude to the participants for pushing through the competition despite the forecasted high chance of rainfall a day before the event.

"Let's do the 100% pa rin, gawin pa rin nating 100%. Lahat ng supplies ipasok natin para lahat ng darating masaya. [Kaya] sa mga nandito, maraming salamat po," Paulino said.

The seventh edition of the racing tilt also featured four special stages that highlighted the natural landscapes and sceneries of the town, starting at the Candle Monument in Brgy. Camachin and concluding at the Teban Trail Parking in Brgy. Talbak. On the other hand, OIC Department Head of PHACTO May Arlene DG. Torres shared in her message how the PGB consistently promotes sports and eco-tourism in the province, highlighting Doña Remedios Trinidad's potential as an emerging tourist destination in the country.

"Ang Pamahalaang Panlalawigan pa ay itinataguyod ang sports tourism tulad po nito, at gano'n din po ang eco-tourism. Ito pong DRT ay emerging na tourist destination, kaya sana po sa mga darating na taon ay mas mapayalan niyo pa po ang iba't ibang bahagi ng DRT at ng Bulacan. At sana ay sa inyong palaging pagpunta sa Bulacan, mahalin n'yo po ang [aming lalawigan]," she said. Meanwhile, a tree-planting activity was also conducted in certain parts of the town prior to the competition participated by selected racers, stressing Bulacan's continued advocacy for ecotourism, environmental stewardship, and responsible outdoor recreation.

# Weavers Manifesto cries for respect, support for Philippine weaves, denounces machine replicas, printed substitutes

The growing popularity of traditional handloom-woven textiles has placed Filipino weavers at a critical crossroads. Their designs, heritage, and livelihoods are increasingly threatened not only by printed and machine-made replicas but also by unfair market access, lack of intellectual property protection, and limited recognition of their rights as artists, cultural bearers, and workers. While counterfeit fabrics dilute authenticity and deceive consumers, deeper challenges persist. Weavers struggle to reach inclusive markets, secure fair compensation, and pass down their craft to future generations. These shared concerns have prompted weaving communities across the country to unite and assert their rights to livelihood, cultural identity, and a rightful place in the nation's textile value chain. In response to this growing concern, the Department of Science and Technology, Philippine Textile Research Institute (DOST PTRI), consolidated the weavers' insights and thoughts through the Weavers Manifesto during the 1st Philippine Handloom Weaving Festival held at Robinsons Ilocos in Ilocos Norte on 22 November 2025 as part of the National Science, Technology and Innovation Week. The signing was led by Dr. Julius Leano Jr., Director of DOST PTRI, and the delegation of more than 120 weavers from over 40 weaving communities across the country. It was witnessed by DOST Ilocos Region Director, Dr. Teresta Tabago and Assistant Secretary Anna Carmela V. Remigio, Presidential Assistant for Northern Luzon. The DOST-

PTRI and the weavers initially conducted a focused group discussion (FGD) that raised the concerns and needs of weaving communities across the country. The resulting Weavers' Manifesto captured the 8 main and critical issues raised during the FGD. The signatories call for the following:

- Opposition to the widespread use of counterfeit handwoven textiles and machine-made woven replicas as substitutes for the authentic handwoven fabrics of the Philippines. (Pagtutol sa malawakang paggamit ng mga pekeng hinabing tela at mga hinabing replika na gawa ng mga makina bilang panghalip sa mga tunay na habing-kamay ng Pilipinas.)
- Use of handwoven textiles for the uniforms and attire of government employees and students. (Paggamit sa mga hinabing tela para sa uniporme at kasutuan ng mga kawani ng pamahalaan at mga mag-aaral.)
- Strong opposition to the use of woven textile designs in sublimation printing and in printed fabrics being sold as if they were handloom woven. (Maring pagtutol sa paggamit ng mga disenyo ng hinabing tela bilang disenyo sa sublimation printing at mga mag-aaral.)
- Expanded access for weavers to cotton and natural textile fiber-based yarns. (Mas pinalawak na akses ng mga manghahabi sa cotton at natural textile fiber-based yarns.)
- Broader access to training programs to prepare the next generations of weavers and to promote knowledge about the art and science of weaving, especially among the

youth. (Pinalawak na akses sa mga programa sa pagsasanay upang maihanda ang mga sumusunod na henerasyon ng mga manghahabi at pagpapalaganap ng kaalaman ukol sa sining at agham ng paghahabi lalo na sa mga kabatahan.)

- Unification of all weavers across the Philippines into an organized group. (Pagbubuklod ng lahat ng mga manghahabi sa buong pilipinas bilang isang organisadong grupo.)
- Strengthening policies for the development of the weaving sector and for the protection of intellectual property and the creations of weavers and their respective communities. (Pagpapagiting ng mga polisiya para sa pagpapalaganap ng larangan at pagprotekta sa yamang-isisip at mga likha ng manghahabi at ng kanilang grupong kinabibilangan.)
- Respect for the rights and recognition of weavers, especially women whose livelihoods depend on this craft. (Paggalang sa mga karapatan at pagpapahalaga sa mga manghahabi lalo na ang mga kababaihang nakabatay ang kabuhayan sa larangan ito.)

As the Weavers' Manifesto underlines the importance of keeping weaving traditions alive for cultural and economic advancement of weavers, a testimony came from Marlyn Muiyana of the Baraclang Weavers Association of Iloilo who shared how their community's weaving center contributes to their community advancement, "Before the weaving center was established, our barangay was considered one of the poorest in the municipality. Many families struggled to meet daily needs, and sending children to school felt like an impossible dream. But through hard

work, unity, and commitment, the weaving center became our turning point. Today, we are proud to say that we have no out-of-school youth in our community. Almost all our students now have the chance to pursue higher education in colleges and universities." The said Manifesto is also in line with the advocacy raised by Dr. Leano, Jr., during the opening ceremony of the festival, when for the first time he publicly called on the public and said, "Sana po 'wag na kayong bumili ng fake handloom woven fabrics...because you are not just depriving them of their livelihood. You are depriving them of their identity. And most importantly, you are depriving them of their future." The Philippine

Handloom Weaving Festival generated over P2 million in gross sales of handloom woven products from over 120 participating weavers from more than 40 weaving communities representing various regions across the country. A total of 600 kilograms of cotton yarns was also distributed to the weavers as part of the CottonPH Weaving Movement, a program that aims to boost local handloom weaving, reduce dependency on imported yarns, and promote sustainability by providing weavers with locally spun quality yarns. This is the first massive distribution of yarns that awaits feedback on the weavability and the overall transitioning journey that the weavers will undergo in weaving Philippine cotton yarns. Ilocos Norte will also

be able to spin and produce cotton yarns for Northern Luzon after the inauguration of the facility last 20 November in Vintar, Ilocos Norte, during the duration of the Festival. The four-day festival attracted over 1,000 participants in all its activities. The 1st Philippine Handloom Weaving Festival is a collaboration of the Provincial Government of Ilocos Norte, Ilocos Norte Tourism, Cebu Pacific Air, Robinsons Ilocos, and the Local Government of Taguig City, which is the host city of the Philippine Handloom Weaving Center

## DOST Region 2 Champions Youth Engagement and Gender Advocacy in VAWC Campaign Event

The event gathered a diverse audience—including representatives from partner agencies, DOST R02 staff, and a strong delegation of on-the-job trainees (OJTs) and immersion students from across Cagayan—highlighting the crucial role of youth participation in advancing gender-sensitive communities.

DOST R02 Regional Director Dr. Virginia G. Bilgiera opened the program with welcome remarks and an inspirational message, reaffirming the agency's firm commitment to promoting a safer, more inclusive society for women and children. She highlighted the critical responsibility of government institutions, communities, and

especially the youth in creating proactive environments that prevent violence before it begins.

The program featured two compelling lectures from expert resource speakers who shed light on the cultural and institutional dimensions of gender-based violence.

Dr. Trician Jan Taguba-Villarosa delivered a medical perspective in her talk titled "Promoting Healthy Masculinity," exploring how gender norms shape behavior and how redefining masculinity can contribute to reducing violence against women. Her insights emphasized the need for compassionate, non-violent expressions of manhood and early intervention through education and awareness.

Adding a law enforcement perspective, Police Staff Sergeant Mary Jane G. de Obieta of PNP Region 2 presented the Philippine National Police's best practices under MOVE PH (Men Opposed to Violence Everywhere). Her presentation, "Championing MEN's Involvement in Ending VAW," showcased successful grassroots programs that position men as advocates and protectors in the campaign to end VAWC.

An open forum encouraged interactive participation, with students actively raising questions and sharing reflections on the importance of gender respect, safe spaces, and community solidarity. Their voices echoed a growing movement of youth who are ready to be changemakers in the fight against gender-based violence.

The event culminated in a Pledge of Commitment, with all attendees affirming

their shared dedication to ending VAWC. Certificates of participation were awarded, acknowledging the valuable contributions of each participant.

By convening this forum, DOST Region 2 reaffirmed its role not only as a scientific and technological agency but as a community advocate for gender justice and youth empowerment. The initiative also strengthened the narra-

tion that VAWC prevention is a collective responsibility—one that requires the collaboration of institutions, families, and especially the younger generation.

As the 18-Day Campaign continues across the country, DOST 2's program stands as a powerful reminder: Ending violence starts with education, engagement, and empowered voices—especially those of the youth.

## DA, naglunsad ng watchdog unit para sa infrastructure projects

Nagpatayo ang Department of Agriculture (DA) ng Interim Social and Environmental Safeguards (SES) Unit upang masiguro ang transparent at responsible na pagpapatupad ng kanilang mga infrastructure projects. Ayon kay DA Secretary Francisco Tiu Laurel, Jr., mahalaga ang hakbang na ito lalo na sa pagsasalin ng farm-to-market road (FMR) projects mula sa Department of Public Works and Highways simula 2026, at

bilang tugon sa flood control scandal. Napagalaman na mahigit sa 60,000 km ng kabuayang 131,000 km ng FMR network ang hindi pa natatayo. Bukod sa FMRs, layunin din ng DA na palawakin ang agriculture infrastructure projects sa pamamagitan ng food hubs, cold storage, at rice mills. Bibigyang-diin ng SES Unit ang pagsunod sa mga national regulation ng pamahalaan gayundina ang pamantayan ng mga development partner, at sisiguraduhing may proteksyon din sa kapaligiran at lipunan ang bawat proyekto.

## General Information Sheets ng SEC, matibay na ebidensya vs Surigao del Sur Rep Romeo Momo Sr

Ang nakuhang General Information Sheets o GIS mula sa Securities and Exchange Commission (SEC) ang naging matibay na ebidensya nina Atty. Mary Helen Polinar Zafrá para kasuhan ng graft at plunder si Surigao del Sur 1st District Rep. Romeo Momo Sr. sa Office of the Ombudsman.

Sa isang eksklusibong panayam sa Butuan, sinabi ni Atty. Zafrá na hindi totoo ang pahayag ni Congressman Momo na ang kaso ay politically motivated.

Ayon sa kanya, mula pa noong 2019 sila humihingi ng certified true copy ng GIS mula sa SEC — ito ang taunang disclosure document na isinunite upang i-update ang SEC tungkol sa kasalukuyang corporate structure, pagmamay-ari, at mga key officers ng isang kumpanya.

Dito sila nalinawan na noong 2019, nang manalo si Momo bilang Construction Workers Solidarity (CWS) party-list representative, siya pa rin ay kabilang sa Board of Directors ng kanilang family company na Surigao La Suerte Corporation (SLSC).

Nakita rin nila na walang naisumitang record ang nasabing kumpanya noong 2020 at 2021, habang noong 2023, kung saan siya ay kongresista na ng kanilang probinsiya, nakumpirma rin na miyembro pa rin si Momo ng Board of Directors ng nasabing kumpanya kungsaan umabot na sa mahigit isang bilyong piso ang nakulimat na pera ng Momo family company mula sa mga infrastructure projects ng Department of Public Works and Highways.

Dagdag pa rito, mayroon isang kaso na may kinalaman sa mga fuel contracts na ibinigay din ng Department of Public Works and Highways (DPWH) sa SLSC — na siyang fuel supply business naman ng pamilya Momo ngunit hindi umabot sa 50-million pesos threshold kung kaya't graft ang kanilang ininangap kaso.

Dagdag pa ni Zafrá, kasama sa mga reklamante laban sa kongresista ng kanilang lalawigan ang anim na pari mula sa Diocese of Tandag at si Atty Alexander Malaque mula naman sa bayan ng Lingig sa nasabi ring lalawigan.

## AFP, sinegundahan ang pahayag ng DND hinggil sa 4-day ceasefire

Nagpahayag din ng suporta ang Armed Forces of the Philippines (AFP) sa mga pahayag ng Department of National Defense (DND) hinggil sa 4-day ceasefire declaration ng Communist Party of the Philippines-New People's Army (CPP-NPA).

Ayon kay AFP Spokesperson Col. Francel Margareth Padilla, nakapokus ang buong hanay ng militar sa pagtupad ng kanilang mandato na protektahan ang mga komunidad at mamamayan sa buong bansa.

Aniya, gaya ng itinuro ng DND ay magpapatuloy ang mga operasyon ng militar, kung saan binigyang-diin ni Padilla ang mahigpit na koordinasyon nila sa Philippine National Police (PNP).

Samantala, tiniyak ni Padilla na ang buong hanay ng kasundaluhan ay mananatiling mapagmatyag at magbabantay sa seguridad ng publiko upang maisulong ang mapayapa at ligtas na kapaligiran para sa lahat ng Pilipino.

## Grupong Bayan sa Bicom: 'Ilabas ang listahan ng 'allocables'

Umapela ang grupong Bagong Alyansang Makabayan (BAYAN) sa Bicomeral Conference Committee na ilabas na ang kumpletong listahan ng kontrobersyal na 'allocables'.

Tinukoy ng grupo ang allocables bilang makabagong uri ng pork barrel o ilgal na inilalaang pondo tulad ng pork barrel fund na dati nang idineklara ng Supreme Court bilang ilgal.

Batay sa pahayag na inilabas ng grupo, umapela sa Bicom na isapubliko ang lahat ng mga naisingit at naipalit na pondo mula sa orihinal na nilalaman ng panukalang pondo para sa 2026. Dapat din ay naka-itemized ang listahan ng mga nakalaang pondo para sa bawat district congressman, party-list representative, at bawat Senador. Hinimok din ng grupo ang dalawang kapulungan na i-disclose ang lahat ng timeline at mekanismong ginamit sa pagtasa at pag-laan ng budget upang mas maintindihan ng publiko.

Sa ganitong paraan ay mabibigyan ng pagkakataon ang publiko na ma-access ang laman ng panukalang pondo, malaman kung paano ito inilalaan, at magkaroon sila ng pagkakataon na makapagbigay ng sariling feedback ukol sa pondo.

Babala ng grupo, kung madaliin ang pagpasa sa pambansang pondo sa 2026 ay tiyak lamang na magpapalakas sa pag-susupetsa ng publiko na ang pambansang pondo ay hinulma lamang para mabeneplisuhang ang ilal. Apela ng grupo, dapat ay mayroong mailabas na hard at digital copies ng 2026 budget, salig na rin sa pangako ng dalawang kapulungan ng Kongreso na gawing bukas ang budget deliberations.

## DPWH chief, tiniyak ang pagpapanagot sa mga tiwaling opisyal ng Bulacan 1st DEO, malapit nang makulong

Tiniyak ni Department of Public Works and Highways (DPWH) Secretary Vice Dizon na papanagutin lahat ng tiwaling opisyal sa Bulacan 1st district engineering office, na ayon sa kalihim ay malapit nang makasuhan.

Ginawa ni Sec. Dizon ang pahayag kasabay ng kaniyang pakikipagpulong sa mga bagong talagang opisyal sa Malolos, Bulacan ngayong araw.

Isinagawa ang pulong sa conference room na tinawag ni Dizon bilang "infamous room" kung saan naroon ang lamesang pinaglatagan ng nasa P300 milyong pinaghatibatian umano ng dating DPWH district engineers na sina Henry Alcantara at Brice Hernandez.

Ayon sa kalihim, imboliko ang naturang lugar dahil dito sumabog ang napakalaking iskandalo sa flood control

projects.

Nangako rin ang kalihim ng paglalagat ng mga solusyon kasama ang mga bagong talagang opisyal ng naturang district engineering office ng DPWH sa Bulacan.

Samantala, nakatakda ring inspeksyunin ni Sec. Dizon ang mga maanomaliyang proyekto na hawak ng Bulacan 1st district engineering office.

## DepEd, tatanggap ng mahigit P1-B na pondo para sa Special Needs Education

Tatanggap ang Department of Education (DepEd) ng mahigit P1.04 billion na pondo para magamit sa Special Needs Education (SNED) program sa susunod na taon.

Ang malaking pondo ay bahagi ng pagpapalakas ng ahensiya sa naturang programa upang matutukan ang mga mag-aaral na may special needs, may disabilities, miyembro ng indigenous communities, out-of-school youth at iba pa.

Nais ng DepEd na magkaroon ng mas inklusibo at patas na oportunidad para sa mga mag-aaral na may special needs, sa pamamagitan ng sapat na pondo, akmang mga programa, at sapat na bilang ng mga guro na gagabay

sa kanila.

Para sa mga miyembro ng Indigenous Peoples Education (IPEd) program, mayroon ding P154 milyon na suporta ita sa susunod na taon. Mayroong mahigit 482,000 IPEd learners na inaasahang makikinabang dito. Aabot din sa P897 million ang pondong inilaan ng ahensiya para sa Alternative Learning System (ALS) sa 2026. Ang mas malaking pondo ay bahagi rin ng pagpokus ng ahensiya sa halos 640,000 ALS learners, at matulungan ang mga ito na maipagpatuloy ang kanilang pag-aaral. Mahalaga ang suporta sa learners with special needs, batay sa panukalang budget na inaprubahan ng Senado.

**Manila Mayor Isko, nagbabala sa mga gagawa ng krimen sa lungsod kasabay ng papalapit na Pasko**

Nagbigay babala ang kasalukuyang alkalde ng lungsod ng Maynila na si Mayor Francisco 'Isko' Moreno Domagoso sa mga indibidwal na may masasamang balak o intensyon gumawa ng krimen sa naturang lugar.

Binalaan ng alkalde ang mga ito na sila'y ipahanap sa mga awtoridad o Pulis Maynila upang ang mga kriminal nananatili sa lungsod ay mahuli at tuluyang maipakulong.

Ayon kay Mayor Isko Moreno, seryoso ang kanilang mga pahayag sa pagharap nito at paggawa ng aksyon laban sa mga kriminal na patuloy nambibiktima lalo na habang nasa lungsod ng Maynila.

Ang kanyang pahayag ay

kasunod lamang ng kanyang iharap sa publiko ang Top 2 at Top 8 most wanted ng Manila Police District na siyang naaresto kamakailan.

Timbog kasi ang isang 45-anyos na lalaki sa Tondo, Maynila at pati 40-taong gulang suspek sa kanilang magkapareho na kasong 'murder' na kinakaharap.

Kaugnay pa rito'y iniharap din ng alkalde sa publiko ang isa pang nahuli ng Manila Police District na mandurukot.

Kumalat anila ang post online matapos makunan ng video ang suspek sa loob ng LRT o Light Rail Transit sa Maynila kung kaya't naharap ito sa kasong 'theft' o pagmanakaw.

Bunsod sa pagkakahuli

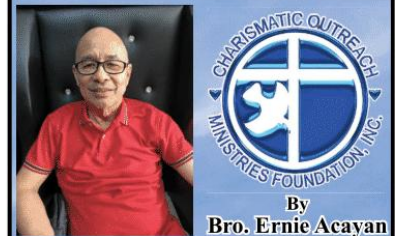

ng ilang mga kriminal kasabay ng papalapit na Pasko, babala ng alkalde na kanilang titiyakin mahuhuli ang mga ito.

"Kaya ngayon magpapasko baka maraming gustong bumalak... I've been telling everyone, basta ginawa niyo sa Maynila magtago na kayo sa lelang niyong panot," ani Manila Mayor Francisco 'Isko' Moreno Domagoso.

"Men and women uniformed personnel of the Manila Police District through the leadership of General Abad, we'll go after you. We will go after you. I don't mind waiting, but I'll make sure justice will be done," dagdag pa ni Mayor Isko Moreno. Naniniwala ang na-

turang alkalde na ang mga kapanatagan sa kanilang kataga-Maynila ay may karapatan na makapamahay ng may ligtasan

Matteo 3:2  
 "Ganito ang Kanyang sinasabi, "Magsisi kayo at talikuran ang inyong mga kasalanan sapagkat malapit nang dumating ang kaharian ng langit!"

**TUNAY NA PAGSISISI**

Sapat na ba ang paghingi ng tawad sa Dios upang sabihin tunay ang ating pagsisisi?

Gawa 26:20

"Nangaral ako, una sa Damasco, saka sa Jerusalem at sa buong lupain ng Judea, at gayundin sa mga Hentil. Inpinangaral kong dapat silang magsisi't tumalikod sa kanilang mga kasalanan, lumapit sa Diyos, at ipakita ang kanilang pagsisisi sa pamamagitan ng mga gawa."

Ano ang mga dapat nating gawin upang ipahayag na tayo'y nagsisisi.

1) May buhay-panalangin. Ang tunay na may ugnayan sa Dios ay sa pamamagitan ng isang lumalagong buhay-panalangin. Kailangan ito upang lumagong ang isang mananampalataya sa kanyang pananampalataya. Iti'y hindi isang suwestiyon kundit utos ng Dios.

1 Tesalonica 5:17

"...palagi kayong manalangin..."

Iti ay isang utos upang lumagong tayo sa pagkakakilala kay Hesus at magkaroon ng malalim na relasyon sa Kanya.

Ang panalangin ay paraan upang tayo ay makatangap sa Kanya at magawa natin ang Kanyang kalooban.

Juan 15:5

"Ako ang puno ng ubas at kayo ang mga sanga. Ang nananatili sa Akin, at Ako sa kanya, ang siyang nagbubunga nang sagana, sapagkat wala kayong magagawa kung kayo'y hiwalay sa Akin."

2) May bagong uri ng pamumuhay. Ang tunay na pagsisisi ay ang pagtalikod sa lumang pamumuhay at paglandas ng isang bagong buhay na kasama si Kristo.

2 Cor.5:17

"Kaya't kung nakipag-isa na kay Cristo ang isang tao, isa na siyang bagong nilalang. Wala na ang dati niyang pagkatao, sa halip, iti'y napalitan na ng bago."

3) Ang taong nagsisi ay may bago ng kaisipan.

Roma.12:2

"Huwag kayong makiayon sa takbo ng mundong ito. Sa halip, hayaan ninyong baguhin ng Diyos ang inyong pag-iisip upang maunawaan ninyo ang kanyang kalooban. Sa gayon, magagawa ninyo kung ano ang mabuti, kalugud-lugod at ganap na kalooban ng Diyos."

Ang taong may bago ng kaisipan ay ang makatatanggap ng pangunawa sa mga pahayag ng Diyos.

Efes 4:23-24

Magbago na kayo ng diwa at pag-iisip; at ang dapat ninyong isuot ay ang bagong pagkatao na nilikhang kalarawan ng Diyos, at nahahayag sa matuwid at banal na pamumuhay ayon sa katotohanan.

Gayun din naman, siya ay may kakayahang tumanggi sa alok ng laman, ng mundo at ng demonyo.

1 Juan 3:9

"Ang mga anak ng Diyos ay hindi nagpapatuloy sa pagkakasala, sapagkat nananatili sa kanila ang binihing mula sa Diyos. At dahil ang Diyos ang ama nila, hindi sila maaaring magpatuloy sa pagkakasala."

TO GOD BE THE GLORY.

**Thailand, patuloy sa pagbomba sa Cambodia ilang oras matapos ianunsiyo ni Trump na nagkasundo ang 2 sa ceasefire – defense ministry**

Inakusahan ng Cambodia ang Thailand na patuloy sa pagpapabagsak ng bomba sa kanilang teritoryo ilang oras matapos ianunsiyo ni US President Donald Trump na nagkasundo ang dalawa sa ceasefire o pagtigil ng labanan.

Sa isang post sa X, sinabi ng Cambodian defense ministry na gumamit ang Thai military ngayong araw, Disyembre 13 ng dalawang F-16 fighter jets para magbagsak ng pitong bomba sa kanilang

targets at hindi tumitigil sa pambomba ang Thai military aircraft.

Ito ay sa kabila pa ng nauna ng anunsiyo ni Trump nitong Biyernes na nagkasundo na ang Thailand at Cambodia na bumalik sa orihinal na Peace deal at itigil ang labanan sa kanilang borders, na kumitil na ng nasa 20 katao ngayong linggo lamang.

Sa isang post din ngayong Sabado online (FB), iginiiit ni Cambodian Prime Minister Hun Manet na laging

tumatalima ang kanilang bansa sa mapayapang paraan para maresolba ang salungatan.

Inirekomenda pa aniya sa Amerika at Malaysia, bilang chair ng ASEAN, na gamitin ang kanilang information gathering capabilities para beripikahin kung sino ang unang umatake noong Disyembre 7.

Matatandaan, muling sumiklab ang labanan sa pagitan ng dalawang Southeast Asian countries ngayong Disyembre dahil sa pagpapasabog umano ng Cambodia ng landmine sa border ng Thailand na ikinasawi ng isa nilang sundalo at ikinasugat ng 7 iba pa, bagay na itinanggi naman ng pagbigay ng Cambodia.

**14 nasawi sa malawakang pagbaha sa Gaza**

Aabot na sa 14 na katao ang nasawi sa pananalasa ng bagyong Byron sa Gaza sa loob ng 24 na oras.

Kabilang sanasawi ang tatlong bata kung saan dahil sa hypothermia o labis na kalamigan. Dahil sa nasabing bagyo ay pansamantalang pinalikas ang mga naninirahan sa mga tents at shelters dahil sa pagtaas ng tubig baha. Tinatayang mayroong 13

kabahayan at gusali ang gumuho at 27,000 na mga tents ang nabaha.

Ayon sa United Nation International Organization for Migrations na pnangangambahang maapektuhan ang nasa halos 800,000 na mga naninirahan sa Gaza.

Nanawagan ang ahensiya sa ibang mga bansa ng agarang tulong dahil sa nasabing pagbaha.

**US Special envoy Witkoff, makikipagkita kay Zelensky para sa panibagong Ukraine war talks**

Nakatakdang bumiyaha sa Germany si US Special Envoy to the Middle East Steve Witkoff para makipagkita kay Ukrainian President Volodymyr Zelensky at European leaders ngayong weekend. Ito ay para sa panibagong round ng high-level talks para mawaksan na ang giyera sa Ukraine.

Si Witkoff ang nangunguna sa negotiators ng Amerika para mamagitan sa Ukraine at Russia. Inaasahang tatalakayin ni Witkoff ang pinakabagong bersiyon ng panukalang peace agreement sa Berlin.

Isinusulong kasi ng Trump administration na magkaroon na ng kasunduan pagsapit ng Pasko. Hindi naman kumpirmado pa kung sinu-sinong European leaders ang dadalo sa naturang pulong. Ang kumpirmasyon ng pulong sa pagitan nina Zelensky at Witkoff ay ilang araw matapos ibigay ng Ukraine sa US ang revised version nito sa 20-point peace plan.
